Docket No. 3386-A

Re: Excess/Surplus Lines Reporting Requirements; Failure to File

Dear Agent:

Kansas Insurance Department (KID) records indicate that you were licensed as an excess lines agent during all or part of the 2003 tax year and have not yet filed the information required by K.S.A. 40-246c. KID records also indicate that information and a reminder were directed to you by email on December 19, 2003, and February 25, 2004. The deadline for filing information and paying any premium tax due for 2003 was March 1, 2004.

Whether you placed excess lines coverage on Kansas risks during the year or not, you are required to file the affidavit, which can be accessed through the KID website. If you did place business, you must file Form ELAS electronically. If you need that form, you may contact KID at exlines@ksinsurance.org, 785-296-7832, or 785-291-3454. If you dispute KID's records, please contact Pete Tavares by email (ptavares@ksinsurance.org) or telephone (296-7832).

By this letter, you are directed to file the required affidavit and, if required, file Form ELAS and pay any tax due without delay. In addition, a penalty of the greater of \$500 or 100% of the amount of the premium tax is due. If you have not complied or requested a hearing by the close of business on the 15th day after the date of this letter (or the first business day following the 15th day if the 15th day is not a business day), your excess lines and Kansas insurance agent's licenses will be suspended until such time as you file the appropriate forms, pay any premium tax due, and pay the full amount of the penalty. Unless you request a hearing, this letter will become a final agency action at close of business on the 15th day after the date of this letter.

You may direct a written request for hearing to John W. Campbell, General Counsel, Kansas Insurance Department, 420 SW 9th Street, Topeka, KS 66612. Mr. Campbell is also the agency officer designated pursuant to K.S.A. 77-613(e) to receive service on behalf of KID of a petition for judicial review.

Sincerely,

A handwritten signature in black ink, appearing to read "Brenda J. Clary". The signature is fluid and cursive, with a large initial "B" and a long, sweeping tail.
