OF THE STATE OF KANSAS**

In the Matter of the Kansas Nonresident)
Insurance Agent's License of)
MICHAEL A. LAMBOY,) Docket No. **4719--SO**
NPN 8703039.)

SUMMARY ORDER
(Pursuant to K.S.A. 40-4909 and K.S.A. 77-537)

Pursuant to authority granted to the Commissioner of Insurance ("Commissioner") by K.S.A. 40-4909, the Commissioner hereby proposes to find facts and revoke the Kansas nonresident insurance agent's license of MICHAEL A. LAMBOY ("Respondent") by way of Summary Order as provided by K.S.A. 77-537.

Findings of Fact

1. Following investigation, the Commissioner has no reason to believe that protection of the public interest requires the Commissioner to give notice and opportunity to participate to anyone other than Respondent.
2. Following investigation, the Commissioner finds evidence sufficient to support the following facts:
3. Respondent was licensed as a Kansas nonresident insurance agent on October 5, 2012, and has remained so licensed to date.
4. Respondent's legal and mailing address of record is 1758 Pacific St., Brooklyn, NY 11233-3506.
5. By default order dated July 26, 2012, and effective August 23, 2012, Respondent was permanently barred from associating with any FINRA member firm in any capacity.
6. Question 2 of the background section of the Kansas and uniform insurance producer license application asks if the applicant has ever been involved in an administrative action against an occupational or professional license.
7. Respondent answered "no" on his October 5, 2012, application.
8. Based on certain regulatory information databases, KID has cause to believe the following actions have been taken against Respondent's insurance producer licenses in other states:

- a. On or about May 20, 2013, South Dakota, denied Respondent's application for a license for failure to make a required disclosure on the application.
- b. On or about July 22, 2013, Kentucky revoked Respondent's license for failure to report other states' action.
- c. On or about August 7, 2013, Connecticut revoked Respondent's license based on the FINRA action and Respondent's failure to respond.
- d. On or about September 25, 2013, Virginia revoked Respondent's license based on the FINRA action and Respondent's failure to report it.
- e. On or about October 24, 2013, Missouri denied Respondent's application for a license for failure to disclose other states' actions.
- f. On or about November 27, 2013, South Dakota denied Respondent's application for a license for failure to disclose other states' actions.
- g. On or about December 3, 2013, Arkansas revoked Respondent's license for failure to report other states' actions.
- h. On or about December 9, 2013, Washington revoked Respondent's license for failure to report other states' actions.
- i. On or about February 12, 2014, Wyoming imposed a fine against Respondent and revoked his license for failure to respond and failure to report other states' actions.
- j. On or about February 24, 2014, New Hampshire imposed a fine against Respondent and revoked his license for failure to respond and failure to report other states' actions.
- k. On or about March 26, 2014, Texas revoked Respondent's license based on other states' actions.
- l. On or about July 9, 2014, Delaware imposed a fine against Respondent and revoked his license for failure to report other states' actions.

9. Respondent did not report those actions to KID within 30 days as required by K.A.R. §40-7-9(a) and has not reported them to date.

10. By letter dated November 13, 2014, counsel for KID summarized the foregoing facts and invited Respondent to reply by the close of business on November 24, 2014, if he disputed the statements of fact.

11. To date, Respondent has not replied and the letter has not been returned; thus the facts are deemed undisputed.

Applicable Law

12. K.S.A. 40-4909(a) provides, in relevant part:

"The commissioner may deny, suspend, revoke or refuse renewal of any license issued under this act if the commissioner finds that the applicant or license holder has

(1) Provided incorrect, misleading, incomplete or untrue information in the license application.

(2) Violated:

(A) Any provision of chapter 40 of the Kansas Statutes Annotated, and amendments thereto, or any rule and regulation promulgated thereunder;

(B) any subpoena or order of the commissioner;

(C) any insurance law or regulation of another state; or

(D) any subpoena or order issued by the regulatory official for insurance in another state. . . .

(9) Had an insurance agent license, or its equivalent, denied, suspended or revoked in any other state, district or territory.” K.S.A. 2013 Supp. 40-4909(a).

13. In addition, the Commissioner may revoke any license issued under the Insurance Agents Licensing Act if the Commissioner finds that the interests of the insurer or the insurable interests of the public are not properly served under such license. K.S.A. 2013 Supp. 40-4909(b).

14. A person whose license has been revoked or suspended may not be employed directly or indirectly by an insurance company and “may not perform any act toward the solicitation of or transaction of” insurance business in Kansas. K.S.A. 2013 Supp. 40-4909(g).

15. “Any action taken under this section which affects any license or imposes any administrative penalty shall be taken only after notice and an opportunity for hearing conducted in accordance with the provisions of the Kansas administrative procedures act.” K.S.A. 2013 Supp. 40-4909(c).

16. “Each person licensed in this state as an insurance agent shall report the following to the commissioner of insurance within 30 days of occurrence: (a) Each disciplinary action on the agent’s license or licenses by the insurance regulatory agency of any other state or territory of the United States; . . .” K.A.R. §40-7-9(a).

Conclusions of Law

17. The Commissioner has jurisdiction over Respondent as well as the subject matter of this proceeding, and such proceeding is held in the public interest.

18. The Commissioner finds that Respondent’s license may be, and should be, revoked pursuant to K.S.A. 40-4909(a)(1) because Respondent provided false or

incomplete information in the Kansas license application, and the information omitted was material to the Commissioner's consideration of the application.

19. The Commissioner finds that Respondent's license may be, and should be, revoked pursuant to K.S.A. 40-4909(a)(2)(A) because Respondent repeatedly violated K.A.R. §40-7-9(a) by failing to report actions taken against his insurance producer licenses by the insurance regulatory authorities of other states.

20. In addition, the Commissioner finds that Respondent's license may be revoked pursuant to K.S.A. 40-4909(a)(2)(C) because the actions establish Respondent's violations of the insurance law and/or regulations of other states.

21. Further, the Commissioner concludes that Respondent's license may be revoked pursuant to K.S.A. 40-4909(a)(9) because each denial, suspension, and revocation of a licensee's license in another state constitutes an independent ground for revocation in Kansas.

22. Finally, the Commissioner concludes that Respondent's license may be revoked pursuant to K.S.A. 40-4909(b) because it is not serving the interests of insurers or the insurable interests of the public.

23. Based on the facts and circumstances set forth herein, it appears that the use of summary proceedings in this matter is appropriate, in accordance with the provisions set forth in K.S.A. 77-537(a), in that the use of summary proceedings does not violate any provision of the law, the protection of the public interest does not require the KID to give notice and opportunity to participate to persons other than Respondent, and after investigation, KID believes in good faith that the allegations will be supported to the applicable standard of proof.

Policy to be Served

Before issuing an insurance agent license, the Commissioner must determine that the applicant is qualified and has not committed any act that would be grounds for denial, suspension, or revocation. K.S.A. 40-4905(b). Further, the Commissioner may revoke any license issued under the Insurance Agents Licensing Act if the Commissioner finds that the interests of the insurer or the insurable interests of the public are not properly served under the license. The following action is appropriate to promote the security and integrity of the insurance business and protect insurance

consumers by licensing, or continuing to license, persons or entities to sell, solicit, or negotiate insurance in the State of Kansas only if their conduct indicates they are both qualified and trustworthy.

THE COMMISSIONER OF INSURANCE THEREFORE ORDERS that the Kansas nonresident insurance agent's license of **MICHAEL A. LAMBOY** is hereby **REVOKED**, and **MICHAEL A. LAMBOY** shall **CEASE and DESIST** from the sale, solicitation, or negotiation of insurance, doing any act toward the sale, solicitation, or negotiation of insurance, and/or receiving compensation deriving from the sale, solicitation, or negotiation of insurance in Kansas or on Kansas risks through business conducted on and after the effective date of this order.

It is further ordered, pursuant to KSA 77-415(b)(2)(A), that this order is designated by KID as precedent.

IT IS SO ORDERED THIS __26th__ DAY OF NOVEMBER 2014, IN THE CITY OF TOPEKA, COUNTY OF SHAWNEE, STATE OF KANSAS.
