**Docket No. 86985**

**SUMMARY ORDER**

Pursuant to the authority granted to the Commissioner of Insurance ("Commissioner") by K.S.A. 40-103, 40-2401 *et seq.*, and 77-501 *et seq.*, the Commissioner hereby **ORDERS** that **BRANDON WHITNEY DARLING** and **SENIOR SOLUTION INSURANCE** ("Respondent") and any and all related entities, to **CEASE AND DESIST** from any advertising in violation of Kansas law. This Summary Order shall become effective as a Final Order, without further notice, upon the expiration of the fifteen (15) day period if no request for a hearing is made, pursuant to K.S.A. 77-542.

**Findings of Fact**

1. Records maintained by the Kansas Insurance Department ("Department") indicate that Respondent was licensed as a Kansas resident insurance producer on August 14, 2012 and remains licensed to date.

2. Respondent is the designated responsible licensed producer for Senior Solution Insurance located at 1401 E. Patriot Ave. 14201, Derby, KS 67037.

3. An advertisement for a life insurance plan was received by a Kansas resident via postcard sent through United States Mail.

4. The advertisement contained language that was presented in a manner that tends to mislead prospective insureds that the advertisement was connected to a government agency. The advertisement specifically references a “state-regulated program,” but does not include that “insurance” is being advertised.

5. The advertisement contains an obscure disclaimer stating “Not affiliated with or endorsed by any government agency” that has been minimized and placed at the bottom of the postcard.

6. The advertisement did not include the name of the actual insurer or the form numbers of the insurance policies being advertised.

#### **Applicable Law**

K.S.A. 40-2403 provides:

No person shall engage in this state in any trade practice which is defined in this state as, or determined pursuant to K.S.A. 40-2406 to be, an unfair method of competition or an unfair or deceptive act or practice in the business of insurance.

K.S.A. 40-2404 provides:

The following here are by defined as unfair methods of competition and unfair or deceptive acts or practices in the business of insurance:

(2) Making, publishing, disseminating, circulating or placing before the public, or causing directly or indirectly, to be made, published, disseminated, circulated or placed before the public, in a newspaper, magazine or other publication, or in the form of a notice, circular, pamphlet, letter or poster, or over any radio or television station, or in any other way, an advertisement, announcement or statement containing any assertion, misrepresentation or statement with respect to the business of insurance or with respect to any person in the conduct of such person’s insurance business, which is untrue, deceptive or misleading.

K.S.A. 40-2407 provides:

If, after such hearing, the commissioner shall determine that the person charged has engaged in an unfair method of competition or an unfair or deceptive act or practice, the commissioner shall render an order requiring such person to cease and desist from engaging in such method of competition, act or practice and if the act or practice is a violation of

K.S.A. 40-2404, and amendments thereto, the commissioner may in the exercise of discretion order any one or more of the following:

- (1) Payment of a monetary penalty of not more than \$1,000 for each and every act or violation, but not to exceed an aggregate penalty of \$10,000, unless the person knew or reasonably should have known such person was in violation of this act, in which case the penalty shall be not more than \$5,000 for each and every act or violation, but not to exceed an aggregate of \$50,000 in any six-month period.

Section 5(A) of the Kansas Insurance Department's policy and procedure regarding advertisements of life insurance and annuities, as implemented by K.A.R. 40-9-118 provides:

The information required to be disclosed by this Policy and Procedure shall not be minimized, rendered obscure, or presented in an ambiguous fashion or intermingled with the text of the advertisement so as to be confusing or misleading.

If an application is a part of the advertisement, the name of the insurer shall be shown on the application. However, if an advertisement contains a listing of rates or features that is a composite of several different policies or contracts of different insurers, the advertisement shall so state, shall indicate, if applicable, that not all policies or contracts on which the composite is based may be available in all states, and shall provide a rating of the lowest rated insurer and reference the rating agency, but need not identify each insurer. If an advertisement identifies the issuing insurers, insurance issuer ratings need not be stated.

Section 6(C) of the Kansas Insurance Department's policy and procedure regarding advertisements of life insurance and annuities, as implemented by K.A.R. 40-9-118 provides:

An advertisement shall not use any combination of words, symbols or physical materials that by their content, phraseology, shape, color or other characteristics are so similar to a combination of words, symbols or physical materials used by a governmental program or agency or otherwise appear to be of such a nature that they tend to mislead prospective insureds into believing that the solicitation is in some manner connected with a governmental program or agency.
