

Chapter 3.44 - FIRE INSURANCE PROCEEDS

Sections:

3.44.010 - Scope-Application.

The city is authorized to utilize procedures established by KSA 40-3901 et. seq. whereby no insurance company shall pay a claim of a named insured for loss or damage to any building or structure located within the city arising out of any fire, explosion or windstorm where the amount recoverable for the loss or damage to the building or other structure under all policies is in excess of 75 percent of the face value of the policy covering such building or other insured structure unless there is compliance with the procedures set out in this chapter.

(Ord. 2436 §1, 1998; Ord. 2313 §1, 1987).

3.44.020 - Lien created.

The governing body of the city creates a lien in favor of the city and the proceeds of any insurance policy based upon a covered claim payment made for damage or loss to a building or other structure located within the city caused by or arising out of any fire, explosion or windstorm where the amount recoverable for all the loss or damage to the building or other structure under all policies is in excess of 75 percent of the face value of the policy(s) covering such building or other structure. The lien arises upon any unpaid tax, special ad valorem levy or other charge imposed upon real property by or on behalf of the city which is an encumbrance on real property whether or not evidenced by written instrument or such tax levy assessment, expense, or other charge that has remained undischarged for at least 1 year prior to the filing of a proof of loss.

(Ord. 2436 §2, 1998; Ord. 2313 §2, 1987).

3.44.030 - Lien-Incumbrances.

Prior to final settlement on any claim covered by Section 3.44.020 the insurer or insurers shall contact the county treasurer, Neosho County, Kansas, to determine whether any such incumbrances are presently in existence. If the same are found to exist the insurer or insurers shall execute and transmit in an amount equal to that owing under the incumbrances a draft payable to the county treasurer, Neosho County, Kansas.

(Ord. 2313 §3, 1987).

3.44.040 - Lien-Pro rata basis.

Such transfer of proceeds shall be on a pro rata basis by all insurance companies insuring the building or other structure.

(Ord. 2313 §4, 1987).

3.44.050 - Transfer of funds-Procedure.

- A. When a final settlement on a covered claim has been agreed to or arrived at between the named insured or insureds and the company or companies, and the final settlement exceeds 75 percent of the face value of that policy covering any building or other insured structure, and when all amounts due to the holder of a first real estate mortgage against the building or other structure pursuant to the terms of the policy and endorsements thereto, shall have first been paid, the insurance company or companies shall then withhold and execute a draft payable to the city treasurer in the amount of 15 percent of the proceeds based upon a covered claim payment unless the city manager or his or her designee of the city has issued a certificate to the insurance company or companies that the insured has removed the damaged building or other structure as well as all associated debris, or repaired or rebuilt or otherwise made the premises safe and secure.
- B. Such transfer of funds shall be on a pro rata basis by all companies insuring the building or other structure. Policy proceeds remaining after the transfer to the city shall be disbursed in accordance with the policy terms.
- C. Upon the transfer of funds required by subsection A of this section the insurance company or companies shall provide this city with the name and address of the named insured or insureds, the total insurance coverage applicable to said building or structure and the amount of the final settlement agreed to or arrived at between the insurance company or companies and the insured or insureds, whereupon the city manager or his or her designee shall contact the named insured or insureds by registered mail, notifying them that such insurance proceeds have been received by the city and appraise them of the procedures to be followed under this chapter.

(Ord. 2436 §3, 1998; Ord. 2313 §5, 1987).

3.44.060 - Fund created-Deposit of moneys.

The city treasurer is directed to create a fund to be known as the "fire insurance proceeds fund." All moneys received by the city treasurer as provided for by this chapter shall be placed in that fund and deposited in an interest-bearing account.

(Ord. 2313 §6, 1987).

3.44.070 - Building investigation-Removal of structure.

- A. Upon receipt of moneys as provided for by this chapter, the city treasurer shall immediately notify the city manager or his or her designee of the receipt and transmit all documentation received from the insurance company or companies to the city manager or his or her designee.
- B. Within 20 days of the receipt of the moneys, the city manager or his or her designee shall determine, after prior investigation, whether the city shall instigate proceedings under the provisions of KSA 12-1750, et. seq., as amended.
- C. Prior to expiration of the 20 days established by subsection B of this section, the city manager or his or her designee shall notify the city treasurer whether he or she intends to initiate proceedings under KSA 12-1750, et. seq., as amended.
- D. If the city manager or his or her designee has determined that proceedings under KSA 12-1750, et. seq., as amended, shall be initiated, he or she will do so immediately but no later than 30 days after receipt of the moneys by the city treasurer.
- E. Upon notification to the city treasurer by the city manager or his or her designee that no proceedings shall be initiated under KSA 12-1750, et. seq., as amended, the city treasurer shall return all such moneys received, plus accrued interest, to the insured or insureds as identified in the communication from the insurance company or companies. Such return shall be accomplished within 30 days of the receipt of the moneys from the insurance company or companies.

(Ord. 2313 §7, 1987).

3.44.080 - Removal of structure—Excess moneys.

If the city manager or his or her designee has proceeded under the provisions of KSA 12-1750, et seq., as amended, all moneys in excess of that which is ultimately necessary to comply with the provisions for the removal of the building or structure, less salvage value, if any, shall be paid to the insured.

(Ord. 2313 §8, 1987).

3.44.090 - Removal of structure—Disposition of funds.

If the city manager or his or her designee, with regard to a building or other structure damaged by fire or explosion, determines that it is necessary to act under KSA 12-1756, any proceeds received by the city treasurer under the authority of Section 3.44.050A relating to that building or other structure shall be used to reimburse the KSA 12-1756. Upon reimbursement from the insurance proceeds, the city manager or his or her designee shall immediately effect the release of the lien resulting therefrom. Should the expenses incurred by the city exceed the insurance proceeds paid over to the city treasurer under Section 3.44.050A the city manager or his or her designee shall publish a new lien as authorized by KSA 12-1756, in an amount equal to the excess expenses incurred.

(Ord. 2313 §9, 1987).

3.44.100 - Effect upon insurance policies.

This chapter shall not make the city a party to any insurance contract, nor is the insurer liable to any party for any amount in excess of the proceeds otherwise payable under its insurance policy.

(Ord. 2313 §10, 1987).

3.44.110 - Insurers—Liability.

Insurers complying with this chapter or attempting in good faith to comply with this chapter shall be immune from civil and criminal liability and such action shall not be deemed in violation of KSA 40-2404 and any amendments thereto, including withholding payment of any insurance proceeds pursuant to this chapter, or releasing or disclosing any information pursuant to this chapter.

(Ord. 2313 §11, 1987).
