8-701. SCOPE AND APPLICATION. The city is hereby authorized to utilize the procedures established by K.S.A. 40-3901 et seq., whereby no insurance company shall pay a claim of a named insured for loss or damage to any building or other structure located within the city, arising out of any fire, explosion, or windstorm, where the amount recoverable for the loss or damage to the building or other structure under all policies is in excess of 75 percent of the face value of the policy covering such building or other insured structure, unless there is compliance with the procedures set out in this article. (Code 1999)

8-702. LIEN CREATED. The governing body of the city hereby creates a lien in favor of the city on the proceeds of any insurance policy based upon a covered claim payment made for damage or loss to a building or other structure located within the city, caused by or arising out of any fire, explosion, or windstorm, where the amount recoverable for all the loss or damage to the building or other structure under all policies is in excess of 75 percent of the face value of the policy(s) covering such building or other insured structure. The lien arises upon any unpaid tax, special ad valorem levy, or any other charge imposed upon real property by or on behalf of the city which is an encumbrance on real property, whether or not evidenced by written instrument, or such tax, levy, assessment, expense or other charge that has remained undischarged for at least one year prior to the filing of a proof of loss.

(a) When final settlement on a covered claim has been agreed to or arrived at between the named insured or insureds and the company or companies, and the final settlement exceeds 75 percent of the face value of the policy covering any building or other insured structure, and when all amounts due the holder of a first real estate mortgage against the building or other structure, pursuant to the terms of the policy and endorsements thereto, shall have been paid, the insurance company or companies shall execute a draft payable to the city treasurer in an amount equal to the sum of 15 percent of the covered claim payment, unless the chief building inspector of the city has issued a certificate to the insurance company or companies that the insured has removed the damaged building or other structure, as well as all associated debris, or repaired, rebuilt, or otherwise made the premises safe and secure.

(b) Such transfer of funds shall be on a pro rata basis by all companies insuring the building or other structure. Policy proceeds remaining after the transfer to the city shall be disbursed in accordance with the policy terms.

(e) Upon notification to the city treasurer by the chief building inspector that no proceedings shall be initiated under K.S.A. 12-1750 et seq., as amended, the city treasurer shall return all such moneys received, plus accrued interest, to the

Upon reimbursement from the insurance proceeds, the chief building inspector shall immediately effect the release of the lien resulting therefrom. Should the expenses incurred by the city exceed the insurance proceeds paid over to the city treasurer under section 8-705(a), the chief building inspector shall publish a new lien as authorized by K.S.A. 12-1756, in an amount equal to such excess expenses incurred. (Code 1999)

8-711. INSURERS; LIABILITY.
