Title Insurance Special Rate Rule for Unique and Unusual Conditions

If it can be clearly demonstrated that a risk presents unique or unusual conditions of exposure or hazard such that the application of the normal rating procedure does not produce a reasonable and equitable rate for the risk, such risk may be treated on an individual rate basis.

Requests for treatment under this rule shall be submitted to the insurance commissioner and shall be accompanied by evidence specifically setting forth the reasons for the request along with full supporting information evidencing that the special treatment is not a violation of K.S.A. 40-2404(14) relating to rebates and other inducements in title insurance. Such rates must be filed with the commissioner of insurance prior to quotation or being made effective.

SECTION 3 CHARGES INVOLVING DEVELOPMENT OR CONSTRUCTION

3.01 Development Loans

The company will insure the lien of a development loan for site improvements, such as streets and sewers to lots in a platted subdivision, when the aggregate sales price of such lots is in excess of \$500,000.00, at a premium of \$1.00 per thousand. No reissue credit from any prior policy will be allowed toward this premium, and no reissue credit will be allowed on any future policy by virtue of having issued a development loan policy at this price.

If a development loan does not qualify under these guidelines, charge the rate for a commercial loan policy set forth in Section 2.03. Reissue credit is available when the loan qualifies under Section 5.01 and does not qualify for the rate set forth above.

3.02 Construction Loans on One-To-Four-Family Residential Properties Residential construction loans are handled as follows:

A commitment is issued to the construction lender. The fee is \$375 to a builder/investor or a builder/developer and charged when the construction loan Mortgage/Modification is recorded.

3.03 Builder's/Investor's Rate

The Builder's/Investor's Rate is \$2.00 per thousand for the first \$250,000 of liability, and \$1.50 per thousand for liability above \$250,000, minimum \$250. The Builder's/Investor's Rate will apply in the following situations:

- A. Where two or more houses are constructed, or to be constructed, on building plots within the same chain of title, and requiring only one examination of the original base title; or
- B. Where one or more building plots have been acquired and so improved within a subdivision, the title to which we have insured; or
- C. Where one or more plots have been acquired by an established residential builder/investor; and
- D. Where the builder/investor is paying for the title insurance.

3.04 Subdivision Charge

A special charge known as the subdivision charge will be granted under the following circumstances:

- A. Premises owned by one owner have been platted into 10 or more lots, or where one owner owns 10 or more lots within a platted subdivision; and
- B. The owner proposes to sell vacant lots to individual purchasers and furnish an owner's title insurance policy to each purchaser, as evidence of title, in lieu of furnishing an abstract of title; and
- C. The owner of such premises has either an outstanding owner's title insurance policy thereon, issued by the Company, or has caused the Company to prepare a blanket title report covering all of said premises owned by him. (Note: A minimum charge for the preparation of such blanket title report may be necessary in individual cases.)

The Subdivision Charge shall be quoted by the revenue manager. The quote shall be in writing and given a contract rate number. All subsequent orders placed pursuant to this quotation shall have this number affixed to the "Order Sheet". Copies of all Subdivision Charge quotations are to be given to the Metro Manager, the affected Branch Manager, and Office Counsel. A copy of each contract shall be filed in the Contract Rate Book.

Before the rate is established and quoted to the customer, it must be filed with the Kansas Insurance Department under the "U & U Rule".

3.05 Developer and Builder Rate

Where the Developer is also the builder on one or more building plots within a subdivision and we have already insured the Developer's underlying subdivision base Title.

The Developer and Builder rate is \$2.00 per thousand for the first \$200,000 of Liability, and \$1.00 per thousand for liability above \$200,000, minimum \$250.

- 3.06 (SECTION HELD OPEN FOR FUTURE USE)
- 3.07 (SECTION HELD OPEN FOR FUTURE USE)
- 3.08 Rundown and Endorsement on Construction Loan Policies. Where the Company is disbursing construction funds pursuant to a construction loan escrow and disbursing agreement, there is no additional charge for periodic title rundown and endorsements to cover each disbursement. Where the Company is not disbursing the funds, however, the charge for each rundown and endorsement shall be \$250.

SECTION 4 CHARGES FOR ADDITIONAL OR SPECIAL SERVICES AND COVERAGES

4.01 Additional Charges

All of the above charges are for ordinary or normal cases.

When the premises to be insured consist of multiple tracts coming from separate chains of title, an additional charge of \$150.00 for each additional tract for residential and \$250.00 for each additional tract for non-residential shall be made.

In cases involving a long and intricate title, an appropriate additional charge, fixed by the examiner, will be made.

In order to comply with Kansas law, a special rate filing will need to be made under the "Unique and Unusual Rule". Consult the Area Manager in these cases.

4.02 Commitment Charges

Preliminary Title Report charges or commitment charges are made to compensate the Company for the work done in preparing a commitment when no policy is issued.

A "Preliminary Title Report charge" is made when a title report is issued with no likelihood of a policy being issued in the next 6 months.

A "Commitment charge" is made when there is a strong possibility a policy will be written, but we are aware of contingencies that will result in cancellation of the order.

- A. The fee for a Preliminary Title Report on 1-to-4-family residential properties is \$300.00. Charge \$125.00 for each update report issued.
- B. A commitment charge of \$400.00 on a 1-4 family residential property, which includes the curative work.
- C. The fee for a Preliminary Title Report on commercial properties is \$750.00.
- D. If more than three hours of search and examination time is required, add \$200.00 to the charge for the Preliminary Title Report or Commitment.
- E. A commitment charge of \$250.00 is made on 1-to-4-family residential properties. If copies of deeds and/or exceptions are required, the fee is \$300.00.
- F. A commitment charge of \$750.00 is made on commercial properties.
- G. An examination fee of \$450.00 on commercial transactions which includes but is not limited to curative work.

The Commitment Charges at "B", "D", "E" and "F" above shall also apply as cancellation fees in cases where an order for a policy is cancelled. To collect these fees, the customer must be advised, before the commitment is issued, that there will be a cancellation or commitment charge.

Amounts paid for Preliminary Title Reports or Commitments, except construction binders issued by Fidelity National Title Insurance Company (Section 3.02 of this manual), shall be credited toward the premium due for any policy issued pursuant to those reports.

4.03 Special Coverages

Extraordinary Risks

Our published schedule of rates creates sufficient reserves to cover losses arising from our assumption of "normal" risks. While we sometimes accept greater-than-normal risks, our loss experience is naturally less favorable in such cases. It is therefore the Company's policy that, where appropriate underwriting authority has determined that an extraordinary risk is nevertheless acceptable, the Company should be compensated accordingly. It is not possible to enumerate these risks, but they might be such things as insuring against forced removal by reason of an encroachment, or deleting some cloud on the title, such as by adverse possession affidavit, without requiring suit to quiet title. The possibilities are as diverse as the imaginations of counsel are fertile. Likewise, it is not possible to formulate any schedule of charges for such risks. Unless there is a sufficient experience or custom factor to serve as a guide, an officer should be consulted.

If unusual or unique circumstances require additional charges, a special rate filing under the "U and U Rule" is required.

4.06 Copies of Policies

If an insured requests a copy of his policy more than 6 months after the original has been issued, we require that the request be in writing, and charge \$25.00.

If the insured requests a duplicate original - charge \$75.00.

These charges shall be waived if the insured establishes to our satisfaction that he never received the original policy.

- 4.07 Charge for Mortgage failing to meet register of deeds format requirements A service charge of \$50 will be made when a mortgage submitted for recording and issuance of title insurance fails to meet the register of deeds' formatting requirements concerning width of margins.
- 4.08 National Commercial Escrow Services

No Office Of The Company OR Office of An Underwritten Title Company May Offer This Rate Unless Specifically Designated as National Commercial Services Division (NCS).

Notwithstanding the rates set forth in this manual, the charges for commercial settlement services performed by a National Commercial Services Division (NCS) shall be based on the responsibility assumed by the Company and must be agreed to by the customer in writing. The transactions to which this section applies may be single site, multi-site, multi-county and/or multi-state.

In writing includes customer approval of an invoice or settlement statement.

SECTION 5 OTHER SPECIAL RATES

5.01 Commercial Reissue Rate

The reissue rate applies only to policies on property other than one-to-four family. The reissue rate is the Commercial Rate, less the reissue credit.

Reissue rates apply when a prior owner's title insurance policy on the premises in question has been issued by an underwriter licensed in Kansas to the current owner and is available to us.

Commercial <u>Reissue Credit.</u>

A. The reissue credit shall be 40 percent of the regular rate on the amount of the prior owner's policy, or the most recent loan policy, if more recent and for a greater amount.

Liability in excess of the amount of the prior policy will be billed at the regular rate.

- B. If the examination of title reveals any of the following since the prior policy: a bankruptcy, foreclosure, multiple lawsuits or judgments, a gap in title, a passage of title into divided interests of less than 1/16, more than 25 additional easements, then no reissue credit is available.
- 5.02 No Longer Applicable Open For Future Use

5.03 Commercial Substitution Rate

In cases involving commercial or industrial property where we have an existing loan policy not over three years old, and the same borrower asks us to issue a new loan policy on a substitute loan, we will charge 60% of the standard rate up to the principal amount of the original loan, plus standard rates for any increase in the loan amount over said amount.

5.04 No longer applicable - Open for future use

5.05 Residential Second Rate (also known as Home Equity Rate)

2. This rate is applicable when the policy to be issued insures any junior mortgage on residential property, provided all of the conditions set forth herein are met.

5.06 Future Advances

Where the Company endorses an existing loan policy to cover a future advance, make a rundown charge of \$50.00, plus 60% of the regular rate on the amount of the advance, to the extent that the total indebtedness after the advance does not exceed the original face amount of the policy. If the total indebtedness after the advance does exceed the original face amount of the policy, charge 100% of the regular rate on the portion of the advance that causes the original face amount of the policy to be exceeded.

5.07 Swing Loans

A residential purchaser frequently contemplates using the proceeds of the sale of his prior residence to apply to the purchase of a new one. Where the prior residence has not yet been sold, or the sale thereof has not yet closed, it is sometimes necessary for him to obtain a "swing loan" on the prior residence to generate the funds necessary to close on the new one. The full rate, as determined under Sec. 2.01 hereof, should be charged for any policy insuring a swing loan mortgage on the prior residence. Thereafter, when the prior residence is sold, and we issue a policy to the purchaser, the seller is entitled to a credit against the premium therefor equivalent to the premium paid for the swing loan policy, less \$75.00

The contract for deed policy must be surrendered for cancellation.

When an owner's and a mortgagees policy or policies covering identical land are to be issued simultaneously, the rate applicable for the owner's policy shall be the regular owners risk rate. The risk rate for the mortgage policy or policies so simultaneously issued will be \$7.50 for up to an amount of insurance not in excess of the owner's policy. The risk rate on the amount of the mortgage policy or policies in excess of the owner's policy is figured at the regular original title insurance risk rates for mortgagees policies.

In all cases, the owner's policy shall be issued for the full insurable value of the premises. The title must be certified down to a date which will include the filing for record of both the deed to the mortgagor and the mortgage itself. Both policies must bear identical date and the owner's policy must show the mortgage as an exception under Schedule B thereof. It is not essential that the property be acquired simultaneously with the giving of the mortgage, but this rate, where applicable, has reference to the simultaneous issuance of an owner's and mortgagee's policy or policies.

(7) SIMULTANEOUS ISSUANCE OF OWNER'S AND LEASEHOLD POLICIES

When an owner's and leasehold policy covering identical land are to be issued simultaneously, the rate applicable for the owner's policy shall be the regular owner's rate. The rate for the leasehold policy will be 30% of the risk rate for the owner's policy with which it is being issued simultaneously up to the amount of said owner's policy. The risk rate on the amount of a leasehold policy in excess of the owner's policy will be figured at the regular title insurance rate for owner's policies in the applicable bracket. Minimum premium is \$10.00.

(8) ORIGINAL TITLE INSURANCE RISK RATES FOR MORTGAGES

A mortgage policy cannot be issued for an amount less than the full principal debt. A policy can, however, be issued for an amount up to 20% in excess of the debt to cover interest, foreclosure cost, etc. A new mortgage given to renew an old mortgage debt which was originally covered by insurance is a new transaction, creating new liability, and if insured carries the original mortgage rate, unless it falls within the classification of Reissue Title Insurance Risk Rates for Mortgages or Title Insurance Risk Rates for Substitution Loans.

(9) REISSUE TITLE INSURANCE RISK RATES FOR MORTGAGES

When the owner of property on which application is made for mortgage title insurance has had the title to such property insured as owner within 10 years prior to such application, such owner shall be entitled to the reissue risk rate on such mortgage insurance of 60% of the published tariff in force for original insurance, up to the face amount of such owner's policy.

If the amount of insurance desired under the mortgage policy is in excess of the original owner's policy, the excess shall be computed at the original rates in the applicable bracket.

A mortgage policy cannot be issued for an amount less than the full principal debt. A policy can, however, be issued for an amount up to 20% in excess of the debt to cover interest, foreclosure costs, etc.

(10) TITLE INSURANCE RATES FOR "SECOND MORTGAGES"

The rates for title insurance on second mortgage transactions will be the same as on first mortgage transactions.

(11) TITLE INSURANCE RISK RATES FOR SUBSTITUTION LOANS

When a substitution loan is made to the same borrower on the same property, the title to which was insured in connection with the original loan, the following rates will be charged for issuing the policy in connection with the new loan, provided the outstanding policy is presented and the Company is informed of the unpaid balance of the loan.

Age of Original Loan

Rates

2 years or under..... 20% of regular risk rates From 2 years to 3 years..... 30% of regular risk rates From 3 years to 4 years.... 40% of regular risk rates From 4 years to 5 years.... 50% of regular risk rates From 5 years to 10 years.... 60% of regular risk rates Over 10 years..... 100% of regular risk rates Minimum..... \$7.50

At the time a substitution loan is made, the unpaid principal balance of the original loan will be considered the amount of insurance in force on which the foregoing rates shall be calculated. To these risk rates shall be added the regular risk rates for the new insurance, that is, the difference between the unpaid principal balance of the original loan and the amount of the new loan.
