Title Insurance Special Rule for Rate Unique and Unusual Conditions

If it can be clearly demonstrated that a risk presents unique or unusual conditions of exposure or hazard such that the application of the normal rating procedure does not produce a reasonable and equitable rate for the risk, such risk may be treated on an individual rate basis.

Requests for treatment under this rule shall be submitted to the insurance commissioner and shall be accompanied by evidence specifically setting forth the reasons for the request along with full supporting information evidencing that the special treatment is not a violation of K.S.A. 40-2404(14) relating to rebates and other inducements in title insurance. Such rates must be filed with the commissioner of insurance prior to quotation or being made effective.

Title Insurance Special Rule for Rate Unique and Unusual Conditions

If it can be clearly demonstrated that a risk presents unique or unusual conditions of exposure or hazard such that the application of the normal rating procedure does not produce a reasonable and equitable rate for the risk, such risk may be treated on an individual rate basis.

Requests for treatment under this rule shall be submitted to the insurance commissioner and shall be accompanied by evidence specifically setting forth the reasons for the request along with full supporting information evidencing that the special treatment is not a violation of K.S.A. 40-2404(14) relating to rebates and other inducements in title insurance. Such rates must be filed with the commissioner of insurance prior to quotation or being made effective.

6 SIMULTANEOUS ISSUE RATES

6.1 OWNER'S AND LOAN POLICIES

When an owner's policy (including one insuring a leasehold interest) and one or more loan policies are issued simultaneously, the owner's policy will be charged at the applicable rate for the type of owner's policy being issued as set forth in Section 4 and each loan policy(ies) will be charged the lessor of the Rate for said loan policy(ies) set forth in Section 5 or a flat fee of \$175.00 per loan policy issued, provided that the liability amount of the loan policy(ies) does not exceed the liability amount of the owner's policy. If the liability amount of the loan policy or the aggregated liability amount of the multiple loan policies exceeds the liability amount of the owner's policy, the premium for the incremental insured value over and above the liability amount of the owner's policy will be computed based on the incremental insured value based on the appropriate type of loan policy set out in Section 5 of the Basic Lender Insurance Rates.

This simultaneous issue rate applies only when the Company is concurrently issuing two or more policies insuring the same property.

Effective Date: December 1, 2022 Page 7 of 22

6.2 MULTIPLE LOAN POLICIES

When two or more loan policies of the same type are issued simultaneously, the individual loan policy liabilities shall be aggregated and that aggregate liability amount will be used to calculate the title premium applicable to the type of loan policy being issued as set forth in Section 5.

When an Expanded Coverage loan policy is issued simultaneously with a Standard Coverage loan policy, title premium will be computed on the mortgage or deed of trust intended to be recorded first based on the type of loan policy to be issued on the senior mortgage. The premium for each subsequent loan policy will be computed based on the incremental insured value over and above the amount of the prior loan(s) as if the prior loan policy(ies) was of the same type.

This simultaneous issue rate applies only when the Company is concurrently issuing two or more policies insuring the same property.

6.3 OWNERS & LEASEHOLD POLICIES

When an owner's policy insuring the fee ownership and an owner's policy insuring a leasehold interest are issued simultaneously, the owner's policy insuring the fee interest will be charged at the applicable rate for the type of owner's policy being issued, as set forth in Section 4. The policy insuring the leasehold interest will be charged at 60% of the applicable rate for the type of policy(ies) being issued covering the leasehold policy. The minimum charge for a concurrent policy insuring a leasehold interest shall be \$175.00.

This simultaneous issue rate applies only when the Company is concurrently issuing two or more policies insuring the same property.

6.4 COMBINATIONS OF OWNER'S, LEASEHOLD & LOAN POLICIES.

When other combinations of policies are issued simultaneously, the owner's policy insuring the fee interest will be charged the applicable rate for the type of owner's coverage being issued as set forth in Section 4, and the remaining policies will be issued at the simultaneous issue rates set forth in sections 6.1, 6.2 or 6.3, as applicable.

6.5 OWNER'S POLICY & CONSTRUCTION LOAN POLICY

Issuing an Owner's Policy simultaneously with a Construction Loan Policy may be done one of two ways:

- Issue the Owner's Policy in the amount of the purchase price of the land only and the Loan Policy in the amount of the construction loan. The loan amount will exceed the owner's policy amount in this case.
- Issue the Owner's Policy in the amount of the purchase price of the land combined with the amount of the construction loan, or the expected appraised value upon completion, if the appraised value is higher.

If option described in second bullet point is used, it is necessary to include a "pending improvements" clause on Schedule B of the Owner's Policy.

Effective Date: December 1, 2022 Page 8 of 22

7 REISSUE RATES

By definition, the reissue rate, when applicable, is 60% of the rate for the original insurance. The reissue rate can be applied only up to the amount of insurance of previously issued policy. The excess amount of insurance, if any, must be calculated at charges under applicable brackets. Reissue rates are applicable under the following circumstances:

7.1 OWNER'S REISSUE

A purchaser or lessee or real estate from one whose title thereto, as owner, has been insured by any title insurance company within seven (7) year prior to the application for a new owner's or leasehold policy shall be entitled to the reissue rate for owner's title insurance in an amount up to the face liability of such former policy. A copy of said former policy must be furnished to the new insurer (new issuing agent) prior to issuance of the new owner's policy.

7.2 LENDER'S REISSUE

An insured under an owner's or leasehold owner's policy grants a mortgage on the property insured desires to furnish his mortgagee with a policy of title insurance. The premium for the Lender's Policy is calculated as stated in Section 7.1 above.

NOTE: No reissue credit shall be given if the examination of title reveals any of the following occurrences since the effective date of the prior policy: bankruptcy, foreclosure, multiple lawsuits or judgments, a gap in title, a conveyance of title into divided interests of less than 1/16, more than 20 additional easements.

Effective Date: December 1, 2022 Page 9 of 22

8 LENDER'S SPECIAL RATES

8.1 APPLICABLE PROVISIONS AND RESTRICTIONS

Lender's Special Rates are only made available to selected lenders who not only provide a high volume of business to the Offering Provider but work with the Offering Provider to develop systems, processes and computer integrations, centralized order processing and tracking, and other controls and economies of scale that enable a more highly efficient, lower cost provision of title services and insurance. The Lender's Special Rates are only available when ALL of the following conditions are met.

- Lender's Special Rates are available only for a Finance Loan. Lender's special rates are not available at the time of an initial purchase of the property.
- The property insured must be a one-to-four family residential property.
- The loan to be made is intended to be placed in a first mortgage lien position as to the property.
- The insured loan amount does not exceed the maximum liability in the appropriate rate tables as set forth in Section 8.3.
- The Offering Provider has in place or is developing centralized electronic order processing and tracking capabilities and/or systems integrations to service the lender.
- The order must be opened electronically and escrow functions (if any) are performed by the Offering Provider.
- All parties must agree to accept a title search or title commitment issued in contemplation of the issuance of an ALTA Residential Short Form Loan Policy or other loan policy that includes general exceptions in regards to taxes and assessments, easements, and covenants, conditions and restrictions.
- The Offering Provider has entered into an addendum to their agency agreement or a separate agreement with the Company specifically authorizing it to provide Lender's Special Rates to certain enumerated lenders.

8.2 AGGREGATION OF ORDERS FOR RATE CATEGORIES

The Lender's Special Rates are to recognize and encourage the greater efficiencies and economies of scale that can result from the development of highly integrated and automated systems and work-flows both within the Offering Provider and between the Offering Provider and lender.

In order to qualify for Lender's Special Rates, the lender and Offering Provider will discuss their respective needs; develop plans for workflows and systems to efficiently transmit, receive and process the title orders and as to any changes in processes required and systems to be integrated. At that point, they will reach agreement as to the Lender's Special rate category to be provided the lender, and an understanding that, consistent with the vagaries of the ever-changing refinance lending market, the lender will endeavor in good faith to provide the Offering Provider title orders meeting the minimum number required to qualify for the agreed rate category, subject to any agreed ramp-up periods.

WFG NATIONAL TITLE INSURANCE COMPANY 7. LENDER'S SPECIAL RATES

As the economies of scale are best achieved on a nationally integrated basis, for purposes of meeting agreed minimums, all orders placed by the lender and any of its affiliates to Offering Provider and Offering Provider's affiliates in any jurisdiction may be aggregated.

As rules and regulations of the Consumer Finance Protection Bureau (CFPB), 12 C.F.R. part 1026 require lenders to provide accurate estimates of title and closing costs well in advance of closing and to abide by those estimates, the failure of a lender to strictly meet estimated minimum volumes for a given rate category in any given month or months, shall not disqualify the lender from being accorded the benefit of the agreed upon rate category until such time as the lender and Offering Provider have amended their agreement.

8.4 HE^2 - HOME EQUITY 2^{nd} GENERATION TITLE INSURANCE POLICY

The Home Equity 2nd Generation Title Insurance policy is a master policy with individual coverage certificates or electronic confirmations of coverage issued for each property and loan to be insured.

The charge for issuing a certificate for this policy shall be:

- \$45.00 per transaction for residential home equity loans up to \$250,000
- \$75.00 per transaction for residential home equity loans over \$250,000 and up to \$500,000.

- \$300.00 per transaction for residential home equity loans over \$750,000 and up to \$1,000,000

This pricing does not include any charges for title searches, examinations, legal fees, property reports, credit reports, recording fees, other charges, or other monies advanced on behalf of the insured or borrower, any of which may be charged at amounts agreed with the lender.

Because of the low price and risk profile of these policies, the pricing does not fit with normal agency splits. These policies may only be issued by an Offering Provider that has entered into an addendum to their agency agreement or a separate agreement with the Company specifically authorizing it to provide this policy to certain enumerated lenders.

10 ENDORSEMENTS

10.1 General Rules

Many of the endorsements are not priced for some of the policy forms because of: 1) infrequency of use, 2) wide range of risks, and/or 3) the endorsement was designated to be attached to a specific policy form but can be modified for other types of policy. If any of these coverages are desired, such requests shall be considered a "unique requirement". Additional charges will be made when unusual conditions of title are encountered, or when special risks are insured against, or when special services are requested.

Situations may arise, where in the opinion of the Company; a scheduled endorsement charge is too low or too high relative to the risk involved, probability of loss or other matters related to underwriting practices. In such cases, the endorsement charge may be adjusted.

Endorsements may be issued ONLY (a) if applicable to the specific facts of the transaction and the property to be insured; (b) if not duplicative with the coverage of another endorsement being issued on a given policy; and (c) as to each endorsement, upon meeting all applicable underwriting guidelines for the endorsement.

Endorsements issued with a Leasehold Owners and Leasehold Loan policy will be issued at No Charge.

EFFECTIVE: December 15, 2023

This Schedule of Escrow Fees sets forth WFG National Title Insurance Company's (the "Company") commercial escrow fees that apply to transactions throughout the State of Kansas including all counties.

When escrow services of any type are involved, all offices and agents of the Company will use the appropriate escrow schedules, which are set forth herein.

The various tables of Escrow Rates set out below are minimum rates and additional charges may be made in the event unusual escrow risks are assumed or unusual services are performed. In the event such charges are made, agreement thereto will be obtained in advance from each person or entity obligated to pay any part of such charges in writing.

All third party charges and costs incurred in connection with the transaction will be charged at the actual cost or estimated actual cost thereof.

For purchase transactions, the escrow fees set forth herein reflect the total charge for the service, and will be allocated 50% to the buyer and 50% to the seller unless a different allocation of charges is set forth in the purchase agreement or by agreement of the parties.

In the case of a short sale, unless a different allocation of charges is set forth in the purchase agreement or by agreement of the parties, all escrow fees will be paid by the purchaser.

The Company reserves the right to match any written escrow rate quote from a Kansas underwritten title company or escrow company. Such rate match must be approved in writing by Company management with a copy of the approval placed in the appropriate escrow file.
