**Title Insurance**  
**Special Rule for Rate Unique and Unusual Conditions**

If it can be clearly demonstrated that a risk presents unique or unusual conditions of exposure or hazard such that the application of the normal rating procedure does not produce a reasonable and equitable rate for the risk, such risk may be treated on an individual rate basis.

Requests for treatment under this rule shall be submitted to the insurance commissioner and shall be accompanied by evidence specifically setting forth the reasons for the request along with full supporting information evidencing that the special treatment is not a violation of K.S.A. 40-2404(14) relating to rebates and other inducements in title insurance. Such rates must be filed with the commissioner of insurance prior to quotation or being made effective.

## 2. GENERAL RULES FOR USE OF RATES

### 2.3 CONFLICTING RATE PROVISION

Although this manual has been assembled in order to minimize conflict, confusion and disparity, whenever two or more rate provisions contained herein may apply, the provision resulting in the lowest charge to the insured shall govern and apply.

### 2.4 COMPUTATION OF RATES

The amount of coverage for premium calculation purposes shall be rounded to the next highest \$1,000 of liability.

### 2.5 ELIMINATION OF FRACTIONAL DOLLARS/ROUNDING

Whenever any rate, calculated according to the formulas set forth herein, results in a premium rate which includes a fraction of a dollar, any fractional portion of a dollar shall be rounded up to the next higher dollar.

### 2.6 INCREASE IN POLICY LIABILITY

Whenever an increase in the amount of insurance shown in Schedule A of a policy of title insurance issued by the Company is applied for by the insured under said policy, the rate to be charged for such increase shall be based upon insurance rates in effect as of the date of the application for the increase. The incremental liability shall be charged at the Basic Rate applicable to the policy type originally issued, giving consideration in the current Basic Rate Table to amounts previously insured.

### 2.7 FEDERAL RULE COMPLIANCE

In compliance with the rules and regulations of the Bureau of Consumer Finance Protection, 12 C.F.R.-part 1026, and notwithstanding any rates computed pursuant to other provisions of this manual, the Company and its agents may charge and collect a lower rate to conform with an amount computed in good faith and submitted to a consumer on the federally required Loan Estimate form for a given consumer and transaction. Any such deviation shall be discretionary on the part of the office issuing the title policy or closing the transaction. Where the rate computed pursuant to this manual is less than the amount quoted on the Loan Estimate, the consumer will be charged the lower rate. ## 5 BASIC LENDER INSURANCE RATES

### 5.1 LOAN POLICY

- A Standard Coverage loan policy will be issued insuring a loan at the premium for the respective liability amounts as set forth for loan policies in Section 3.1 Rate Table.
- An Expanded Coverage Loan Policy will be issued insuring a loan for the respective liability amounts as set forth for loan policies in Section 3.2 Rate Table.

### 5.2 SHORT FORM LOAN POLICIES.

The rate for a Short Form Loan Policy shall be the same as for a regular loan policy of a given type of coverage as set forth in subsection 5.1 and **Error! Reference source not found.** above.

### 5.3 LEASEHOLD LENDER'S INSURANCE

The ALTA Form Leasehold Lender's Policy has been withdrawn and replaced with the ALTA Form 13.1 (Lender's) Endorsement. When appropriate and upon satisfaction of underwriting requirements, the ALTA Form 13.1 (Lender's) leasehold endorsement will be added to the appropriate Loan Title Insurance policy at no additional cost.

### 5.4 CONSTRUCTION LOAN POLICIES

A construction loan policy may be issued in amount not greater than nor less than the full principal debt provided that (1) the loan is for a period not to exceed two (2) years (2) the purpose of the loan is to finance improvements to the real property. The premium for a construction loan policy is calculated at a charge of \$1.00 for each \$1,000 of coverage, with a minimum charge of \$150.00.

If a loan for the purpose of financing improvements will become the permanent mortgage, the premium should be calculated at the charges for Lender's policies as shown herein.

## 6 SIMULTANEOUS ISSUE RATES

### 6.1 OWNER'S AND LOAN POLICIES

When an owner's policy (including one insuring a leasehold interest) and one or more loan policies are issued simultaneously, the owner's policy will be charged at the applicable rate for the type of owner's policy being issued as set forth in Section 4 and each loan policy(ies) will be charged the lesser of the Rate for said loan policy(ies) set forth in Section 5 or a flat fee of \$175.00 per loan policy issued, provided that the liability amount of the loan policy(ies) does not exceed the liability amount of the owner's policy. If the liability amount of the loan policy or the aggregated liability amount of the multiple loan policies exceeds the liability amount of the owner's policy, the premium for the incremental insured value over and above the liability amount of the owner's policy will be computed based on the incremental insured value based on the appropriate type of loan policy set out in Section 5 of the Basic Lender Insurance Rates.

This simultaneous issue rate applies only when the Company is concurrently issuing two or more policies insuring the same property.

# WFG NATIONAL TITLE INSURANCE COMPANY

## 6.2 MULTIPLE LOAN POLICIES

When two or more loan policies of the same type are issued simultaneously, the individual loan policy liabilities shall be aggregated and that aggregate liability amount will be used to calculate the title premium applicable to the type of loan policy being issued as set forth in Section 5.

When an Expanded Coverage loan policy is issued simultaneously with a Standard Coverage loan policy, title premium will be computed on the mortgage or deed of trust intended to be recorded first based on the type of loan policy to be issued on the senior mortgage. The premium for each subsequent loan policy will be computed based on the incremental insured value over and above the amount of the prior loan(s) as if the prior loan policy(ies) was of the same type.

This simultaneous issue rate applies only when the Company is concurrently issuing two or more policies insuring the same property.

## 6.3 OWNERS & LEASEHOLD POLICIES

When an owner's policy insuring the fee ownership and an owner's policy insuring a leasehold interest are issued simultaneously, the owner's policy insuring the fee interest will be charged at the applicable rate for the type of owner's policy being issued, as set forth in Section 4. The policy insuring the leasehold interest will be charged at 60% of the applicable rate for the type of policy(ies) being issued covering the leasehold policy. The minimum charge for a concurrent policy insuring a leasehold interest shall be \$175.00.

This simultaneous issue rate applies only when the Company is concurrently issuing two or more policies insuring the same property.

## 6.4 COMBINATIONS OF OWNER'S, LEASEHOLD & LOAN POLICIES.

When other combinations of policies are issued simultaneously, the owner's policy insuring the fee interest will be charged the applicable rate for the type of owner's coverage being issued as set forth in Section 4, and the remaining policies will be issued at the simultaneous issue rates set forth in sections 6.1, 6.2 or 6.3, as applicable.

## 6.5 OWNER'S POLICY & CONSTRUCTION LOAN POLICY

Issuing an Owner's Policy simultaneously with a Construction Loan Policy may be done one of two ways:

- Issue the Owner's Policy in the amount of the purchase price of the land only and the Loan Policy in the amount of the construction loan. The loan amount will exceed the owner's policy amount in this case.
- Issue the Owner's Policy in the amount of the purchase price of the land combined with the amount of the construction loan, or the expected appraised value upon completion, if the appraised value is higher.

If option described in second bullet point is used, it is necessary to include a "pending improvements" clause on Schedule B of the Owner's Policy.

# WFG NATIONAL TITLE INSURANCE COMPANY

## 7 REISSUE RATES

By definition, the reissue rate, when applicable, is 60% of the rate for the original insurance. The reissue rate can be applied only up to the amount of insurance of previously issued policy. The excess amount of insurance, if any, must be calculated at charges under applicable brackets. Reissue rates are applicable under the following circumstances:

### 7.1 OWNER'S REISSUE

A purchaser or lessee or real estate from one whose title thereto, as owner, has been insured by any title insurance company within seven (7) year prior to the application for a new owner's or leasehold policy shall be entitled to the reissue rate for owner's title insurance in an amount up to the face liability of such former policy. A copy of said former policy must be furnished to the new insurer (new issuing agent) prior to issuance of the new owner's policy.

### 7.2 LENDER'S REISSUE

An insured under an owner's or leasehold owner's policy grants a mortgage on the property insured desires to furnish his mortgagee with a policy of title insurance. The premium for the Lender's Policy is calculated as stated in Section 7.1 above.

NOTE: No reissue credit shall be given if the examination of title reveals any of the following occurrences since the effective date of the prior policy: bankruptcy, foreclosure, multiple lawsuits or judgments, a gap in title, a conveyance of title into divided interests of less than 1/16, more than 20 additional easements.

## 8 LENDER'S SPECIAL RATES

### 8.1 APPLICABLE PROVISIONS AND RESTRICTIONS

Lender's Special Rates are only made available to selected lenders who not only provide a high volume of business to the Offering Provider but work with the Offering Provider to develop systems, processes and computer integrations, centralized order processing and tracking, and other controls and economies of scale that enable a more highly efficient, lower cost provision of title services and insurance. The Lender's Special Rates are only available when ALL of the following conditions are met.

- Lender's Special Rates are available only for a Finance Loan. Lender's special rates are not available at the time of an initial purchase of the property.
- The property insured must be a one-to-four family residential property.
- The loan to be made is intended to be placed in a first mortgage lien position as to the property.
- The insured loan amount does not exceed the maximum liability in the appropriate rate tables as set forth in Section 8.3.
- The Offering Provider has in place or is developing centralized electronic order processing and tracking capabilities and/or systems integrations to service the lender.
- The order must be opened electronically and escrow functions (if any) are performed by the Offering Provider.
- All parties must agree to accept a title search or title commitment issued in contemplation of the issuance of an ALTA Residential Short Form Loan Policy or other loan policy that includes general exceptions in regards to taxes and assessments, easements, and covenants, conditions and restrictions.
- The Offering Provider has entered into an addendum to their agency agreement or a separate agreement with the Company specifically authorizing it to provide Lender's Special Rates to certain enumerated lenders.

### 8.2 AGGREGATION OF ORDERS FOR RATE CATEGORIES

The Lender's Special Rates are to recognize and encourage the greater efficiencies and economies of scale that can result from the development of highly integrated and automated systems and work-flows both within the Offering Provider and between the Offering Provider and lender.

In order to qualify for Lender's Special Rates, the lender and Offering Provider will discuss their respective needs; develop plans for workflows and systems to efficiently transmit, receive and process the title orders and as to any changes in processes required and systems to be integrated. At that point, they will reach agreement as to the Lender's Special rate category to be provided the lender, and an understanding that, consistent with the vagaries of the ever-changing refinance lending market, the lender will endeavor in good faith to provide the Offering Provider title orders meeting the minimum number required to qualify for the agreed rate category, subject to any agreed ramp-up periods.

# WFG NATIONAL TITLE INSURANCE COMPANY

## 7. LENDER'S SPECIAL RATES

As the economies of scale are best achieved on a nationally integrated basis, for purposes of meeting agreed minimums, all orders placed by the lender and any of its affiliates to Offering Provider and Offering Provider's affiliates in any jurisdiction may be aggregated.

As rules and regulations of the Consumer Finance Protection Bureau (CFPB), 12 C.F.R. part 1026 require lenders to provide accurate estimates of title and closing costs well in advance of closing and to abide by those estimates, the failure of a lender to strictly meet estimated minimum volumes for a given rate category in any given month or months, shall not disqualify the lender from being accorded the benefit of the agreed upon rate category until such time as the lender and Offering Provider have amended their agreement.

Additional charges will be made when unusual conditions of title are encountered, or when special risks are insured against, or when special services are requested.
