RE: Controlled Business Report

Dear KID,

This report is to inform you of Controlled Business from my office. I, nor any of my employees, have an interest in another producer of title business. We also do not have any affiliation with any federally chartered bank or savings association. We have not had any such business arrangements since I purchased the business August 1, 2022. Our year ended 12/31/2023 and will end 12/31/2024 this coming year.

Sincerely,

Julie D Wagenblast, President
State licensed Abstractor & Title Ins. Agent
