Re: Bulletin 1989-12
House Bill #2497

Dear Mr. Tompkins:

Please be advised that I write title insurance policies in Hamilton, Grant and Stanton Counties, none of which have a population of more than 10,000.

I am aware that if I do write title insurance in a county having a population of more than 10,000, I must make a rate filing prior to quoting rates or issuing policies.

Very truly yours,

Barbara J. Bay
