*Re: Exemption from title agency rate filing*

Dear Ms. Spurling:

This letter is in response to your email on May 24, 2022, regarding the title agency rate filing. The Law Office of Scott D. Wright, LLC d/b/a Mitchell County Abstract & Title is exempt from filing a title agency rate due to the fact that we provide title insurance only on property located in counties having a population of less than 10,000 persons. We provide title insurance in Mitchell County, Cloud County, Jewell County, Lincoln County, Osborne County, and occasionally Republic County. According to the 2020 population numbers with the United States Census Bureau, none of these counties are over 10,000 in population.

If you need any additional information, do not hesitate to contact me.

Respectfully,

Scott D. Wright
