#### **3.01 Development Loans**

The company will insure the lien of a development loan for site improvements, such as streets and sewers to lots in a platted subdivision, when the aggregate sales price of such lots is in excess of \$500,000.00, at a premium of \$1.00 per thousand. No reissue credit from any prior policy will be allowed toward this premium, and no reissue credit will be allowed on any future policy by virtue of having issued a development loan policy at this price.

If a development loan does not qualify under these guidelines, charge the rate for a commercial loan policy set forth in Section 2.03. Reissue credit is available when the loan qualifies under Section 5.01 and does not qualify for the rate set forth above.

#### **3.02 Construction Loans on One-To-Four-Family Residential Properties**

Residential construction loans are handled as follows:

A commitment is issued to the construction lender. The fee is \$375 to a builder/investor or a builder/developer and charged when the construction loan Mortgage/Modification is recorded.

#### **3.03 Builder's/Investor's Rate**

The Builder's/Investor's Rate is \$2.00 per thousand for the first \$250,000 of liability, and \$1.50 per thousand for liability above \$250,000, minimum \$250. The Builder's/Investor's Rate will apply in the following situations:

- A. Where two or more houses are constructed, or to be constructed, on building plots within the same chain of title, and requiring only one examination of the original base title; or
- B. Where one or more building plots have been acquired and so improved within a subdivision, the title to which we have insured; or
- C. Where one or more plots have been acquired by an established residential builder/investor; and
- D. Where the builder/investor is paying for the title insurance.

## FIDELITY NATIONAL TITLE INSURANCE COMPANY

### 3.04 Subdivision Charge

A special charge known as the subdivision charge will be granted under the following circumstances:

- A. Premises owned by one owner have been platted into 10 or more lots, or where one owner owns 10 or more lots within a platted subdivision; and
- B. The owner proposes to sell vacant lots to individual purchasers and furnish an owner's title insurance policy to each purchaser, as evidence of title, in lieu of furnishing an abstract of title; and
- C. The owner of such premises has either an outstanding owner's title insurance policy thereon, issued by the Company, or has caused the Company to prepare a blanket title report covering all of said premises owned by him. (Note: A minimum charge for the preparation of such blanket title report may be necessary in individual cases.)

The Subdivision Charge shall be quoted by the revenue manager. The quote shall be in writing and given a contract rate number. All subsequent orders placed pursuant to this quotation shall have this number affixed to the "Order Sheet". Copies of all Subdivision Charge quotations are to be given to the Metro Manager, the affected Branch Manager, and Office Counsel. A copy of each contract shall be filed in the Contract Rate Book.

Before the rate is established and quoted to the customer, it must be filed with the Kansas Insurance Department under the "U & U Rule".

### 3.05 Developer and Builder Rate

Where the Developer is also the builder on one or more building plots within a subdivision and we have already insured the Developer's underlying subdivision base Title.

The Developer and Builder rate is \$2.00 per thousand for the first \$200,000 of Liability, and \$1.00 per thousand for liability above \$200,000, minimum \$250.

Where the Company is not disbursing the funds, however, the charge for each rundown and endorsement shall be \$250.

## **SECTION 4 CHARGES FOR ADDITIONAL OR SPECIAL SERVICES AND COVERAGES**

### **4.01 Additional Charges**

All of the above charges are for ordinary or normal cases.

When the premises to be insured consist of multiple tracts coming from separate chains of title, an additional charge of \$150.00 for each additional tract for residential and \$250.00 for each additional tract for non-residential shall be made.

In cases involving a long and intricate title, an appropriate additional charge, fixed by the examiner, will be made.

In order to comply with Kansas law, a special rate filing will need to be made under the "Unique and Unusual Rule". Consult the Area Manager in these cases.

### **4.02 Commitment Charges**

Preliminary Title Report charges or commitment charges are made to compensate the Company for the work done in preparing a commitment when no policy is issued.

A "Preliminary Title Report charge" is made when a title report is issued with no likelihood of a policy being issued in the next 6 months.

A "Commitment charge" is made when there is a strong possibility a policy will be written, but we are aware of contingencies that will result in cancellation of the order.

- A. The fee for a Preliminary Title Report on 1-to-4-family residential properties is \$300.00. Charge \$125.00 for each update report issued.
- B. A commitment charge of \$400.00 on a 1-4 family residential property, which includes the curative work.
- C. The fee for a Preliminary Title Report on commercial properties is \$750.00.
- D. If more than three hours of search and examination time is required, add \$200.00 to the charge for the Preliminary Title Report or Commitment.
- E. A commitment charge of \$250.00 is made on 1-to-4-family residential properties. If copies of deeds and/or exceptions are required, the fee is \$300.00.
- F. A commitment charge of \$750.00 is made on commercial properties.
- G. An examination fee of \$450.00 on commercial transactions which includes but is not limited to curative work.

## FIDELITY NATIONAL TITLE INSURANCE COMPANY

The Commitment Charges at "B", "D", "E" and "F" above shall also apply as cancellation fees in cases where an order for a policy is cancelled. To collect these fees, the customer must be advised, before the commitment is issued, that there will be a cancellation or commitment charge.

Amounts paid for Preliminary Title Reports or Commitments, except construction binders issued by Fidelity National Title Insurance Company (Section 3.02 of this manual), shall be credited toward the premium due for any policy issued pursuant to those reports.

### 4.03 Special Coverages

#### Extraordinary Risks

Our published schedule of rates creates sufficient reserves to cover losses arising from our assumption of "normal" risks. While we sometimes accept greater-than-normal risks, our loss experience is naturally less favorable in such cases. It is therefore the Company's policy that, where appropriate underwriting authority has determined that an extraordinary risk is nevertheless acceptable, the Company should be compensated accordingly. It is not possible to enumerate these risks, but they might be such things as insuring against forced removal by reason of an encroachment, or deleting some cloud on the title, such as by adverse possession affidavit, without requiring suit to quiet title. The possibilities are as diverse as the imaginations of counsel are fertile. Likewise, it is not possible to formulate any schedule of charges for such risks. Unless there is a sufficient experience or custom factor to serve as a guide, an officer should be consulted.

If unusual or unique circumstances require additional charges, a special rate filing under the "U and U Rule" is required.

The transactions to which this section applies may be single site, multi-site, multi-county and/or multi-state.

In writing includes customer approval of an invoice or settlement statement.

## SECTION 5 OTHER SPECIAL RATES

### 5.01 Commercial Reissue Rate

The reissue rate applies only to policies on property other than one-to-four family. The reissue rate is the Commercial Rate, less the reissue credit.

Reissue rates apply when a prior owner's title insurance policy on the premises in question has been issued by an underwriter licensed in Kansas to the current owner and is available to us.

Commercial Reissue Credit.

- A. The reissue credit shall be 40 percent of the regular rate on the amount of the prior owner's policy, or the most recent loan policy, if more recent and for a greater amount.

Liability in excess of the amount of the prior policy will be billed at the regular rate.

- B. If the examination of title reveals any of the following since the prior policy: a bankruptcy, foreclosure, multiple lawsuits or judgments, a gap in title, a passage of title into divided interests of less than 1/16, more than 25 additional easements, then no reissue credit is available.

### 5.02 No Longer Applicable – Open For Future Use

### 5.03 Commercial Substitution Rate

In cases involving commercial or industrial property where we have an existing loan policy not over three years old, and the same borrower asks us to issue a new loan policy on a substitute loan, we will charge 60% of the standard rate up to the principal amount of the original loan, plus standard rates for any increase in the loan amount over said amount.

### 5.04 No longer applicable - Open for future use

### 5.06 Future Advances

Where the Company endorses an existing loan policy to cover a future advance, make a rundown charge of \$50.00, plus 60% of the regular rate on the amount of the advance, to the extent that the total indebtedness after the advance does not exceed the original face amount of the policy. If the total indebtedness after the advance does exceed the original face amount of the policy, charge 100% of the regular rate on the portion of the advance that causes the original face amount of the policy to be exceeded.

### 5.07 Swing Loans

A residential purchaser frequently contemplates using the proceeds of the sale of his prior residence to apply to the purchase of a new one. Where the prior residence has not yet been sold, or the sale thereof has not yet closed, it is sometimes necessary for him to obtain a "swing loan" on the prior residence to generate the funds necessary to close on the new one. The full rate, as determined under Sec. 2.01 hereof, should be charged for any policy insuring a swing loan mortgage on the prior residence. Thereafter, when the prior residence is sold, and we issue a policy to the purchaser, the seller is entitled to a credit against the premium therefor equivalent to the premium paid for the swing loan policy, less \$75.00

The contract for deed policy must be surrendered for cancellation.

### SECTION 3 CHARGES INVOLVING DEVELOPMENT OR CONSTRUCTION

#### 3.01 Development Loans

The company will insure the lien of a development loan for site improvements, such as streets and sewers to lots in a platted subdivision, when the aggregate sales price of such lots is in excess of \$500,000.00, at a premium of \$.90 per thousand. No reissue credit from any prior policy will be allowed toward this premium, and no reissue credit will be allowed on any future policy by virtue of having issued a development loan policy at this price.

If a development loan does not qualify under these guidelines, charge the rate for a commercial loan policy set forth in Section 2.02. Reissue credit is available when the loan qualifies under Section 5.01 and does not qualify for the rate set forth above.

#### 3.02 Construction Loans on One-To-Four-Family Residential Properties

Residential construction loans are handled as follows:

A commitment is issued to the construction lender. A \$75.00 commitment fee is charged when the construction loan mortgage is recorded. In most cases, a supplemental commitment will be issued showing the recorded documents. No additional charge is made for this supplemental report. If no construction loan policy is issued, the commitment is held open during construction. If a construction policy is required by the lender, the charge is \$75 for each six month policy. When the home is sold to the ultimate buyer and a permanent loan is made, we will issue the policies. No credit is given for the original commitment fee.

#### 3.03 Builder's/Investor's Rate

The Builder's/Investor's Rate on orders placed after September 15, 2003, is \$1.50 per thousand for the first \$250,000 of liability, and \$1 per thousand for liability above \$250,000. The Builder's/Investor's Rate will apply in the following situations:

- A. Where two or more houses are constructed, or to be constructed, on building plots within the same chain of title, and requiring only one examination of the original base title; or
- B. Where one or more building plots have been acquired and so improved within a subdivision, the title to which we have insured; or
- C. Where one or more plots have been acquired by an established residential builder/investor; and
- D. Where the builder/investor is paying for the title insurance.

## FIDELITY NATIONAL TITLE INSURANCE COMPANY

### 3.04 Subdivision Charge

A special charge known as the subdivision charge will be granted under the following circumstances:

- A. Premises owned by one owner have been platted into 10 or more lots, or where one owner owns 10 or more lots within a platted subdivision; and
- B. The owner proposes to sell vacant lots to individual purchasers and furnish an owner's title insurance policy to each purchaser, as evidence of title, in lieu of furnishing an abstract of title; and
- C. The owner of such premises has either an outstanding owner's title insurance policy thereon, issued by the Company, or has caused the Company to prepare a blanket title report covering all of said premises owned by him. (Note: A minimum charge for the preparation of such blanket title report may be necessary in individual cases.)

The Subdivision Charge shall be quoted by the revenue manager. The quote shall be in writing and given a contract rate number. All subsequent orders placed pursuant to this quotation shall have this number affixed to the "Order Sheet". Copies of all Subdivision Charge quotations are to be given to the Metro Manager, the affected Branch Manager, and Office Counsel. A copy of each contract shall be filed in the Contract Rate Book.

Before the rate is established and quoted to the customer, it must be filed with the Kansas Insurance Department under the "U & U Rule".

### 3.05 Developer and Builder Rate

Where the Developer is also the builder on one or more building plots within a subdivision and we have already insured the Developer's underlying subdivision base Title.

The Developer and Builder rate is \$2.00 per thousand for the first \$200,000 of Liability, and \$.50 per thousand for liability above \$200,000.

### 3.06 ( SECTION HELD OPEN FOR FUTURE USE )

### 3.07 ( SECTION HELD OPEN FOR FUTURE USE )

### 3.08 Rundown and Endorsement on Construction Loan Policies.

Where the Company is disbursing construction funds pursuant to a construction loan escrow and disbursing agreement, there is no additional charge for periodic title rundown and endorsements to cover each disbursement. ### 3.09 Permanent Loans on New Commercial Projects

Where the Company has previously insured the lien of a construction loan on a commercial project, and collected the appropriate premium therefor, we will insure the lien of a permanent mortgage, which replaces the construction mortgage, for a processing or work charge only. If the amount of the permanent mortgage exceeds the amount of the construction mortgage, it will be necessary to bill additional premium for the excess amount. The processing charge is \$250.00. Of course, any extended or special coverages given in the permanent loan policy should be billed at the appropriate rate in addition to the work charge.

If an unusual amount of work is involved, we must file our rate under the "U and U Rule".

### 3.10 ( SECTION HELD OPEN FOR FUTURE USE )

## **SECTION 4 CHARGES FOR ADDITIONAL OR SPECIAL SERVICES AND COVERAGES**

### 4.01 Additional Charges

All of the above charges are for ordinary or normal cases.

When the premises to be insured consist of multiple tracts coming from separate chains of title, an additional charge of \$100.00 for each additional tract shall be made.

In cases involving a long and intricate title, an appropriate additional charge, fixed by the examiner, will be made.

In order to comply with Kansas law, a special rate filing will need to be made under the "Unique and Unusual Rule". Consult the Area Manager in these cases.

### 4.02 Commitment Charges

Information Report charges or commitment charges are made to compensate the Company for the work done in preparing a commitment when no policy is issued.

An "Information Report charge" is made when a title report is issued with no likelihood of a policy being issued in the next 6 months.

## FIDELITY NATIONAL TITLE INSURANCE COMPANY

A "Commitment charge" is made when there is a strong possibility a policy will be written, but we are aware of contingencies that will result in cancellation of the order.

- A. The fee for an Informational Report on 1-to-4-family residential properties is \$250.00. Charge \$125.00 for each update report issued.
- B. The fee for an Informational Report on commercial properties is \$350.00.
- C. If more than three hours of search and examination time is required, add \$100.00 to the charge for the Informational Report or Commitment.
- D. A commitment fee of \$150.00 is made on 1-to-4-family residential properties. If copies of deeds and/or exceptions are required, the fee is \$200.00.
- E. A commitment fee of \$300.00 is made on commercial properties.
- F. A foreclosure commitment fee of \$300.00 will be charged on 1-to-4- family residential properties; \$350 on other properties.

The Commitment Charges at "C", "D" and "E" above shall also apply as cancellation fees in cases where an order for a policy is cancelled. To collect these fees, the customer must be advised, before the commitment is issued, that there will be a cancellation or commitment fee.

Amounts paid for Informational Reports or Commitments, except construction binders issued by Fidelity National Title (Section 3.02 of this manual), shall be credited toward the premium due for any policy issued pursuant to those reports. If the report or commitment was issued by another company, the credit shall not exceed \$175.00.

### 4.03 Special Coverages

#### Extraordinary Risks

Our published schedule of rates creates sufficient reserves to cover losses arising from our assumption of "normal" risks. While we sometimes accept greater-than-normal risks, our loss experience is naturally less favorable in such cases. It is therefore the Company's policy that, where appropriate underwriting authority has determined that an extraordinary risk is nevertheless acceptable, the Company should be compensated accordingly. It is not possible to enumerate these risks, but they might be such things as insuring against forced removal by reason of an encroachment, or deleting some cloud on the title, such as by adverse possession affidavit, without requiring suit to quiet title. The possibilities are as diverse as the imaginations of counsel are fertile. Likewise, it

## FIDELITY NATIONAL TITLE INSURANCE COMPANY

is not possible to formulate any schedule of charges for such risks. Unless there is a sufficient experience or custom factor to serve as a guide, an officer should be consulted.

If unusual or unique circumstances require additional charges, a special rate filing under the "U and U Rule" is required.

If the insured requests a duplicate original - charge \$75.00.

These charges shall be waived if the insured establishes to our satisfaction that he never received the original policy.

### 4.07 Charge for Mortgage failing to meet register of deeds format requirements

A service charge of \$100 will be made when a mortgage submitted for recording and issuance of title insurance fails to meet the register of deeds' formatting requirements concerning width of margins.

## SECTION 5 OTHER SPECIAL RATES

### 5.01 Reissue Rate

The reissue rate applies only to policies on property other than one-to-four family. The reissue rate is the Commercial Rate, less the reissue credit.

Reissue rates apply when a prior title insurance policy on the premises in question has been issued by an underwriter licensed in Kansas to the current owner and is available to us.

#### Reissue Credit.

- A. The reissue credit shall be 40 percent of the regular rate on the amount of the prior owner's policy, or the most recent loan policy, if more recent and for a greater amount.

Liability in excess of the amount of the prior policy will be billed at the regular rate.

- B. If the examination of title reveals any of the following since the prior policy: a bankruptcy, foreclosure, multiple lawsuits or judgments, a gap in title, a passage of title into divided interests of less than 1/16, more than 25 additional easements, then no reissue credit is available.

### 5.02 Abstract Conversion Rate

Where the prior title evidence on property upon which we are asked to issue a title insurance policy is an abstract, we will give an abstract conversion rate, which is \$100.00 off the amount set forth in Secs. 2.01 or 2.02 above, subject to the following:

- A. The abstract must be surrendered to us prior to commencement of our

## FIDELITY NATIONAL TITLE INSURANCE COMPANY

examination and becomes our property. In appropriate cases, such as where the abstract is in the possession of a lender and cannot be obtained until the loan is paid, the requirement that it be surrendered prior to examination may be waived.

- B. The abstract must be the title evidence relied upon at the time the current seller acquired the property, and must be continued to a date more or less contemporaneous to his acquisition, although it need not actually cover his deed.
- C. In no event will an abstract conversion rate be given which is less than the minimum card rate.

### 5.03 Commercial Substitution Rate

In cases involving commercial or industrial property where we have an existing loan policy not over three years old, and the same borrower asks us to issue a new loan policy on a substitute loan, we will charge 60% of the standard rate up to the principal amount of the original loan, plus standard rates for any increase in the loan amount over said amount.

### 5.04 Future Advances

Where the Company endorses an existing loan policy to cover a future advance, make a rundown charge of \$50.00, plus 60% of the regular rate on the amount of the advance, to the extent that the total indebtedness after the advance does not exceed the original face amount of the policy. If the total indebtedness after the advance does exceed the original face amount of the policy, charge 100% of the regular rate on the portion of the advance that causes the original face amount of the policy to be exceeded.

### 5.05 Swing Loans

A residential purchaser frequently contemplates using the proceeds of the sale of his prior residence to apply to the purchase of a new one. Where the prior residence has not yet been sold, or the sale thereof has not yet closed, it is sometimes necessary for him to obtain a "swing loan" on the prior residence to generate the funds necessary to close on the new one. The full rate, as determined under Sec. 2.01 hereof, should be charged for any policy insuring a swing loan mortgage on the prior residence. Thereafter, when the prior residence is sold, and we issue a policy to the purchaser, the seller is entitled to a credit against the premium therefor equivalent to the premium paid for the swing loan policy, less \$75.00

### 5.06 Hold Open

Title to land is often acquired by an individual as nominee for a group of investors, or in some similar capacity. It is intended that a corporation or partnership will be formed by the group to which title is to be conveyed. It is requested that we withhold issuance of our owner's policy to reflect such transfer.

This is a reasonable request, and where the premium has already been paid and we do not have to hold the file open for more than twelve months, we will do so and charge only a processing charge which is \$75.00

### 5.07 Trade-Ins

In the case of residential properties accepted as trade-ins by brokers, where the premium for an owner's policy is paid by the broker's client in the amount established between the parties as the trade-in allowance, the file will be held open and a policy issued to the ultimate purchaser from the broker within six months from the date of the commitment, at a charge of \$75.00, plus the regular rate on any portion of the sale price representing an excess over the value established at the time of trade.

### 5.08 Contracts for Deed

Where an insured (as defined in paragraph 1(a) of the Conditions and Stipulations) in a contract for deed policy has or is about to acquire fee title by reason of full performance of the contract for deed, we will issue a dated-down policy showing title vested in our insured, which policy should be in the amount of the current fair market value of the property, for a processing charge of \$75.00, plus the regular rate on the excess of current fair market value over the original policy amount. The contract for deed policy must be surrendered for cancellation.

**SECTION F**  
**BARTON COUNTY, ELLIS COUNTY, AND RICE COUNTY**

Except as set forth in Section C, the Rates, Charges, and fees set forth in Section F apply to all transactions involving property in Barton County, Ellis County, and Rice County.

**F.1 OWNER'S INSURANCE**

**(a) Owner's Policy Other Than Those Addressed in this Section**

The Rate for an Owner's Policy, unless otherwise expressly provided in this Schedule, is as set forth in Section F.6.

**(b) Concurrent (Simultaneous-Issue) Leasehold Owner's Policy**

When a leasehold Owner's Policy is issued concurrently with a fee Owner's Policy covering the same property, the Charge for the fee Owner's Policy is as set forth in Section F.6.

When the amount of insurance for the leasehold Owner's Policy is the same as or less than that for the fee Owner's Policy, the Charge is 30% of the Rate set forth in Section F.6, for the leasehold Owner's

Policy covering a Residential property. For a Commercial property, the Charge is also 30% of the Rate set forth in Section F.6, subject to a minimum Charge of \$250. On the leasehold Owner's Policy, liability in excess of the amount of the fee Owner's Policy will be billed at the Rate in Section F.6 at the tier level of the excess liability.

(c) Conversion of an Insured Leasehold Estate to a Fee Estate - Commercial Only

When the owner of a leasehold estate insured by the Company acquires the fee estate encumbered by the lease, a new Owner's Policy may be issued to the same insured covering the fee estate on the same property for the following Rate:

For Commercial properties:

Time Between Date Of Leasehold Policy And Acquisition Of The Fee Estate	Rate
Less than one year	\$200
One to five years	\$500
More than five years	Section F.6 Rates

The Rates above apply when the amount of insurance for the new fee Owner's Policy is the same or less than the amount of insurance on the previously issued leasehold Owner's Policy. The Rate for leasehold Owner's Policy liability in excess of the amount of the fee Owner's Policy is the Rate in Section E.6 applicable at the tier level of the excess liability.

The new fee Owner's Policy must contain all of the Standard Exceptions as to matters after the date of policy on the previously issued leasehold Owner's Policy. All endorsements issued with the leasehold Owner's Policy may be reissued with the fee Owner's Policy as long as the coverage provided by the endorsements is limited to the Date of Policy on the previously issued leasehold Owner's Policy. In order for this section to apply, no additional endorsements, other than those endorsements issued with the leasehold Owner's Policy, may be issued with the fee Owner's Policy. If the Insured requires additional endorsements, the rates for those endorsements shall be charged pursuant to Appendix A.

Not available for Residential properties.

## SECTION H

### CHEROKEE COUNTY, CRAWFORD COUNTY, LABETTE COUNTY, AND NEOSHO COUNTY

Except as set forth in Section C, the Rates, Charges, and fee set forth in Section H apply to all transactions involving property in Cherokee County, Crawford County, Labette County, and Neosho County.

#### H.1 OWNER'S INSURANCE

##### (a) Owner's Policy Other Than Those Addressed in Another Section

The Rate for an Owner's Policy, unless otherwise expressly provided in this Schedule, is as set forth in Section H.6.

##### (b) Concurrent (Simultaneous-Issue) Leasehold Owner's Policy

When a leasehold Owner's Policy is issued concurrently with a fee Owner's Policy covering the same property, the Charge for the fee Owner's Policy is as set forth in Section H.6.

When the amount of insurance for the leasehold Owner's Policy is the same as or less than that for the fee Owner's Policy, the Charge is 30% of the Rate set forth in Section H.6, for the leasehold Owner's

Policy covering a Residential property. For a Commercial property, the Charge is also 30% of the Rate set forth in Section H.6, subject to a minimum Charge of \$250. On the leasehold Owner's Policy, liability in excess of the amount of the fee Owner's Policy will be billed at the Rate in Section H.6 at the tier level of the excess liability.

(c) Conversion Of An Insured Leasehold Estate To A Fee Estate - Commercial Only

When the owner of a leasehold estate insured by the Company acquires the fee estate encumbered by the lease, a new Owner's Policy may be issued to the same insured covering the fee estate on the same property for the following Rate:

For Commercial properties:

Time Between Date Of Leasehold Policy And Acquisition Of The Fee Estate	Rate
Less than one year	\$200
One to five years	\$500
More than five years	Section H.6 Rates

The Rates above apply when the amount of insurance for the new fee Owner's Policy is the same or less than the amount of insurance on the previously issued leasehold Owner's Policy. The Rate for leasehold Owner's Policy liability in excess of the amount of the fee Owner's Policy is the Rate in Section H.6 applicable at the tier level of the excess liability.

The new fee Owner's Policy must contain all of the Standard Exceptions as to matters after the date of policy on the previously issued leasehold Owner's Policy. All endorsements issued with the leasehold Owner's Policy may be reissued with the fee Owner's Policy as long as the coverage provided by the endorsements is limited to the Date of Policy on the previously issued leasehold Owner's Policy. In order for this section to apply, no additional endorsements, other than those endorsements issued with the leasehold Owner's Policy, may be issued with the fee Owner's Policy. If the Insured requires additional endorsements, the rates for those endorsements shall be charged pursuant to Appendix A.

Not available for Residential properties.

## APPENDIX A ENDORSEMENT RATES

Filed endorsement Charges are as set forth in the charts below. The Charges contained herein are keyed to the coverages specifically referred to in each endorsement. Additional Charges may be made for inspections or additional work where warranted. Whenever a particular endorsement is modified to cover some other estate or interest than that described in the existing endorsement, a special price must be obtained for such modified endorsement to conform to the type of policy issued or coverage given.

As used in this chart, N/A = Not applicable and percentages refer to a percentage of the Rate based on the amount of insurance of the title insurance policy for which the endorsement is applicable, unless otherwise indicated.

Endorsements will be issued only if underwriting requirements are satisfied.

Endorsements may be issued subsequent to policy issuance on Commercial property. Where updated search work or underwriting is required for the issuance of the post-policy endorsement, the Company may Charge 10-25% of the applicable Rate set forth in the tables above. Not available for Residential properties.

# **RATE AND RULES**

**FOR THE STATE OF**

# **KANSAS**

**EFFECTIVE: FEBRUARY 26, 2014**

**WFG NATIONAL TITLE  
INSURANCE COMPANY**

## **INTRODUCTION**

The rates for the various types of title insurance policies and endorsements offered by WFG National Title Insurance Company ("the Company") are set forth below. Premiums are for title insurance only and do not include search fees, abstract fees, attorney fees, or escrow or closing fees. Additional charges may be assessed for title insurance policies which involve an unusually large amount of work, but the applicant shall be notified before any additional charges would apply. As used herein, the initials ALTA stand for American Land Title Association.

## **STANDARD RISK RATES**

These rates are for ordinary real estate transactions for title insurance coverage provided by the standard forms of ALTA policies and/or endorsements. These rates assume that the Company will be supplied with evidence satisfactory to the Company that title has been determined based upon a competent examination of title. Fees and charges in connection with the searching, examination, certification and closing of title are not included in these rates, and the Company may make additional charges for these and other services when applicable.

## **RIGHT OF THE COMPANY TO ADJUST CHARGES/DECLINE TO INSURE**

The Company may adjust charges in especially difficult titles or for special risk considerations, or for coverage requested by the insured that is not provided in the standard ALTA forms of policies. The Company may also decline to insure any title. It may, at any time, at its sole discretion, refuse or cancel any application by canceling its charges and notifying the applicant.

## **RIGHT TO WITHHOLD ISSUANCE OF POLICY**

A fundamental principle of insurance is that the insurer does not undertake a risk unless it has been paid the required premium for the policy. Therefore, the Company will not issue a policy of title insurance until all applicable charges have been paid in full.

## **AMOUNT OF INSURANCE**

**Owner's title insurance policies** will not be issued for less than the full value of the property as determined by:

1. the contract purchase price for the property including the value of any assumed liens or obligations;
2. the appraised value of the property; or
3. a good faith estimate of the value of the property; except when the Company is a co-insurer with one or more other title insurers, or when the interest of the insured owner is a leasehold or other interest in the property which is less than fee ownership, in which case no owners title insurance policy will be issued for less than the value of the insured's interest in the property.

**Mortgagee title insurance policies** will be issued in the amount equal to the face value of the insured mortgage, except:

1. If the Company is a co-insurer with other title insurers, the amount of insurance may be less than the face amount of the mortgage, provided the total liability of all co-insurers complies with the amount of insurance requirements set forth in this section;
2. If the value of the insured property or the equity of the mortgagor is less than the face amount of the mortgage, the amount of insurance may be equal to the value of the property or the equity of the mortgagor in the property;

3. If the mortgage includes provisions for negative amortization, shared appreciation, or interest or other costs to be added to the indebtedness or secured by the mortgage, the policy may be written in an amount greater than the face amount of the mortgage;
4. If the indebtedness secured by the mortgage is also secured by mortgages on other property, the policy may be written in an amount equal to the amount of the indebtedness allocated by the insured to be secured by the property provided the values of the other property or properties is equal to or greater than the amount of the indebtedness allocated to the other properties.

Owners and loan policies of title insurance may be issued in amounts less than the minimum amounts stated above if that amount is greater than the Title Insurance Industry Capacity. Title Insurance Industry Capacity is defined by the total liability which can be assumed by the Company plus the total amount of any co-insurance and/or reinsurance which is available through other title insurance companies.

### **COMMITMENTS**

A properly completed title insurance commitment is a formal and legally binding contract to insure title to real property. In some jurisdictions, a commitment is called a binder. Maximum care must be exercised in the issuance of a title commitment due to the great potential for liability and claim every time a title commitment is issued. Subject to its terms and expiration, the commitment can be relied upon by the insured to obtain a title policy subject only to the exceptions set out therein.

A commitment for title insurance shall be effective for six (6) months. The Company may issue a written endorsement extending the effective period of the commitment provided that:

1. A request for extension is received prior to expiration of the commitment
2. The extension is for no more than six (6) months
3. The effective date of the commitment remains unchanged
4. The commitment is not extended for a total period of more than two (2) years

### **OWNER'S AND LEASEHOLD COVERAGE**

The ALTA leasehold owner's and leasehold loan policies are essentially identical to their ALTA counterparts for fee titles and mortgages. An owner's or leasehold policy insuring interest in land should not be issued for an amount greater than nor less than the purchase price of the land. If no sale is involved, the full reasonable value of the land may be agreed upon between the Company and the proposed insured.

A title insurer or a title insurance agent issuing a title insurance policy to a lender in conjunction with a mortgage loan made simultaneously with the purchase of all or part of the estate securing a loan, where no owner's title insurance policy has been requested, shall give written notice to the purchaser/mortgagor at the closing, on a form prescribed or approved by the Company, explaining that a title insurance policy for the lender is being issued for the protection of the mortgage lender, and that the policy does not provide title insurance protection to the purchaser/mortgagor. The notice shall further explain what an owner's title policy insures against, and what possible exposures exist for the purchaser/mortgagor which could be insured against through the purchase of an owner's policy, and the cost of said policy. A copy of the executed notice shall be retained in the agent's file for at least three years after the effective date of the lender's policy.

The premium for an owner's or leasehold policy is calculated as follows\*:

*Up to \$50,000 of coverage -----	\$3.50 per \$1,000
\$50,001 to \$100,000, an additional -----	\$3.00 per \$1,000
\$100,001 to \$500,000, an additional -----	\$2.00 per \$1,000
\$500,001 to \$10,000,000, an additional -----	\$1.75 per \$1,000
\$10,000,001 to \$15,000,000, an additional -----	\$1.50 per \$1,000
\$15,000,001 and up, an additional -----	\$1.25 per \$1,000

\* Minimum Premium: \$100.00

\*Round up to the next thousand on all transactions. (Ex: \$76,003 would be rounded up to \$77,000)

### ENHANCED OWNER'S OR LEASEHOLD POLICIES

This policy, which is the ALTA Homeowner's Policy of Title Insurance, adopted 10/17/98 and amended 10/22/03, provides more coverage to owners than the other ALTA Owner's Policies. The ALTA Homeowner's Policy contains 28 insuring clauses ("Covered Risks"). This policy can only be issued in connection with one-to-four family residential properties, or an individual condominium unit.

The elimination of the printed exception(s) (Standard Coverage exceptions) from any ALTA form of a policy makes that policy an Enhanced Coverage policy. The applicant/proposed insured shall comply with all underwriting requirements of the Company for the deletion of any or all printed exceptions shown in Schedule B, Section 2, of the Commitment for Title Insurance. An existing standard policy may be "upgraded" to an ALTA Homeowner's Policy for payment of the additional premium as calculated above over the premium for the standard ALTA Owners Policy. Enhanced coverage is available for one-to-four residential property for owner's coverage without underwriting approval. The property must be a one-to-four family residential lot or condominium unit on a whole lot in a recorded/filed residential subdivision or in a completed condominium subdivision.

The premium for an enhanced owner's or leasehold policy is calculated as follows\*:

Up to \$40,000 of coverage -----	\$160.00 flat fee
\$40,001 to \$1,000,000, an additional -----	4.00 per \$1,000
\$1,001,000 and above, an additional -----	2.75 per \$1,000

\*Round up to the next thousand on all transactions. (Ex: \$76,003 would be rounded up to \$77,000)

### LENDER'S POLICIES/SHORT FORM AND STANDARD

A lender's policy insuring first *lien position* on real property should not be issued for an amount greater than or less than the full principal debt. In some instances, a Lender's policy may be issued for an amount up to 120% of the principal debt to reimburse for interest, foreclosure costs, etc., and in an amount up to 150% of principal debt on adjustable rate mortgages. Short form policies reference standard full text policies filed and approved and on file with the Insurance Department. They are issued at the same rates as the standard full text policies referenced in the short form.

The premium for a Lender's policy, is calculated as follows\*:

*Up to \$50,000 of coverage -----	\$2.50 per \$1,000
\$50,001 to \$100,000, an additional -----	\$2.00 per \$1,000
\$100,001 to \$500,000, an additional -----	\$1.75 per \$1,000
\$500,001 to \$10,000,000, an additional -----	\$1.50 per \$1,000
\$10,000,001 to \$15,000,000, an additional -----	\$1.25 per \$1,000
\$15,000,001 and up, an additional -----	\$1.00 per \$1,000

\* Minimum Premium: \$100.00

\*Round up to the next thousand on all transactions. (Ex: \$76,003 would be rounded up to \$77,000)

A Lender's policy insuring a *second lien* position on real property should only be issued for an amount equal to the full principal debt of the second lien. The premium shall be calculated the same as the premium for a Lender's policy insuring a first lien position.

### CONSTRUCTION LOAN POLICIES

A construction loan policy may be issued in amount not greater than nor less than the full principal debt provided that (1) the loan is for a period not to exceed two (2) years (2) the purpose of the loan is to finance improvements to the real property. The premium for a construction loan policy is calculated at a charge of \$1.00 for each \$1,000 of coverage, with a minimum charge of \$100.00. If a loan for the purpose of financing improvements will become the permanent mortgage, the premium should be calculated at the charges for Lender's policies as shown herein.

**Issuing an Owner's Policy simultaneously with a Construction Loan Policy may be done one of two ways:**

1. Issue the Owner's Policy in the amount of the purchase price of the land only and the Loan Policy in the amount of the construction loan. The loan amount will exceed the owner's policy amount in this case.
2. Issue the Owner's Policy in the amount of the purchase price of the land combined with the amount of the construction loan, or the expected appraised value upon completion, if the appraised value is higher.

Option B is the preferred method. If option B is used, it is necessary to include a "pending improvements" clause on Schedule B of the Owner's Policy.

### ALTA RESIDENTIAL LIMITED COVERAGE JUNIOR LOAN COVERAGE

An ALTA Residential Limited Coverage Junior Loan Policy or the ALTA Short Form Residential Limited Coverage Junior Loan Policy version may be issued to institutional lenders where the loan being insured is in a second or junior position, per the following schedule of policy/liability amount:

Liability:	Charge:
Up to \$250,000.00	\$110.00

--	--

One ALTA Form JR1 Endorsement (Supplemental Coverage Endorsement) may be issued concurrently with said policy at no charge. If issued after the said policy within six (6) months from the date of policy, then the charge is \$25.00.

The ALTA form JR2 Endorsement (Revolving Credit Endorsement), is available at no charge when issued concurrently with said policy. If issued after the said policy within six (6) months from the date of policy, then the charge is \$20.00.

No Refinance Credit is applicable to the issuance of the ALTA Residential Limited Coverage Junior Loan Policy

### **U.S. POLICY**

The U. S. Government Policy is issued naming the United States of America or one of its Departments as the insured. The policy identifies the vested owner of the land and excepts to those defects, liens and encumbrances which in the judgment of the insurer should appear in the policy. The policy also contains a special provision insuring against loss or damage if the United States acquires title by condemnation and the commitment, as updated to the filing of a lis pendens or declaration of taking, failed to disclose parties having a record interest in the land. However, the policy is not a report or abstract of title.

The insuring provisions of the policy are broad. However, their coverage is limited by the Exceptions in Schedule B of the policy and by the Schedule of Conditions and Limitations contained in the policy. The policy, like all policies, obligates the insurer to provide a defense to its insured. However, unlike other policies, the insurer does not have the right to select the counsel to represent the insured. The United States must be represented by the office of the Attorney General.

**The charge for this policy shall be 100% of the Standard Rate for an Owner's/Leasehold Policy.**

### **SIMULTANEOUS ISSUE**

When an owner's or leasehold owner's policy and a mortgagee's loan policy covering identical property are issued simultaneously, the rate is 100% of the owner rate plus \$175.00 for the loan policy. If the amount of the loan policy exceeds the owner's or leasehold owner's policy, then the excess amount will be charged at 100% of the rate for loan policies. In all cases the owner's or leasehold owner's policy shall be issued for the full insurable value of the premises, if insuring a fee simple estate, or for the full insurable value of the leasehold estate, if insuring a leasehold estate. Both policies must bear the same effective date and the owner's or leasehold owner's policy must show the mortgage as an exception. It is not essential that the fee simple or leasehold estate be acquired simultaneously with the issuance of the mortgagee's loan policies.

### **REISSUE RATES**

By definition, the reissue rate, when applicable, is 60% of the rate for the original insurance. The reissue rate can be applied only up to the amount of insurance of previously issued policy. The excess amount of insurance, if any, must be calculated at charges under applicable brackets. Reissue rates are applicable under the following circumstances:

1. A purchaser or lessee or real estate from one whose title thereto, as owner, has been insured by any title insurance company within seven (7) year prior to the application for a new owner's or leasehold policy shall be entitled to the reissue rate for owner's title insurance in a amount up to the face liability of such former policy. A copy of said former policy must be furnished to the new insurer (new issuing agent) prior to issuance of the new owner's policy.
2. An assured under an owner's or leasehold owner's policy grants a mortgage on the property

insured desires to furnish his mortgagee with a policy of title insurance. The premium for the Lender's policy is calculated as stated in the definition above.

3. No reissue credit shall be given if the examination of title reveals any of the following occurrences since the effective date of the prior policy: bankruptcy, foreclosure, multiple lawsuits or judgments, a gap in title, a conveyance of title into divided interests of less than 1/16, more than 20 additional easements.

## **TITLE INSURANCE**

### **SPECIAL RULE FOR RATING UNIQUE OR UNUSUAL CONDITIONS**

REQUESTS FOR THE TREATMENT UNDER THIS RULE SHALL BE SUBMITTED TO THE INSURANCE COMMISSIONER AND SHALL BE ACCOMPANIED BY EVIDENCE SPECIFICALLY SETTING FORTH THE REASONS FOR THE REQUEST ALONG WITH FULL SUPPORTING INFORMATION EVIDENCING THAT THE SPECIAL TREATMENT IS NOT A VIOLATION OF K.S.A. 40-2404(14) RELATING TO REBATES AND OTHER INDUCEMENTS IN TITLE INSURANCE. SUCH RATES MUST BE FILED WITH THE COMMISSIONER OF INSURANCE PRIOR TO QUOTATION OR BEING MADE EFFECTIVE.

## SECTION I REMAINING COUNTIES WITH A POPULATION IN EXCESS OF 10,000

Except as set forth in Section C, the Rates, Charges, and fees set forth in Section I apply to all transactions involving property in the remaining counties in the state of Kansas (not specifically referenced within Sections D, E, F, G, and H of this Schedule) with a population in excess of 10,000 as determined by the United States Census Bureau.

### I.1 OWNER'S INSURANCE

The Rate for an Owner's Policy, unless otherwise expressly provided in this Schedule, is as set forth in Section I.6.

#### (b) Concurrent (Simultaneous-Issue) Leasehold Owner's Policy

When a leasehold Owner's Policy is issued concurrently with a fee Owner's Policy covering the same property, the Charge for the fee Owner's Policy is as set forth in Section I.6.

When the amount of Insurance for the leasehold Owner's Policy is the same as or less than that for the fee Owner's Policy, the Charge is 30% of the Rate set forth in Section I.6, for the leasehold Owner's Policy covering a Residential property. For a Commercial property, the Charge is also 30% of the Rate set forth in Section I.6, subject to a minimum Charge of \$250. On the leasehold Owner's Policy, liability in excess of the amount of the fee Owner's Policy will be billed at the Rate in Section I.6 at the tier level of the excess liability.

(c) Conversion of an Insured Leasehold Estate to a Fee Estate - Commercial Only

When the owner of a leasehold estate insured by the Company acquires the fee estate encumbered by the lease, a new Owner's Policy may be issued to the same insured covering the fee estate on the same property for the following Rate:

For Commercial properties:

Time Between Date Of Leasehold Policy And Acquisition Of The Fee Estate	Rate
Less than one year	\$200
One to five years	\$500
More than five years	Section I.6 Rates

The Rates above apply when the amount of insurance for the new fee Owner's Policy is the same or less than the amount of insurance on the previously issued leasehold Owner's Policy. The Rate for leasehold Owner's Policy liability in excess of the amount of the fee Owner's Policy is the Rate in Section I.6 applicable at the tier level of the excess liability.

The new fee Owner's Policy must contain all of the Standard Exceptions as to matters after the date of policy on the previously issued leasehold Owner's Policy. All endorsements issued with the leasehold Owner's Policy may be reissued with the fee Owner's Policy as long as the coverage provided by the endorsements is limited to the Date of Policy on the previously issued leasehold Owner's Policy. In order for this section to apply, no additional endorsements, other than those endorsements issued with the leasehold Owner's Policy, may be issued with the fee Owner's Policy. If the Insured requires additional endorsements, the rates for those endorsements shall be charged pursuant to Appendix A.

## APPENDIX A ENDORSEMENT RATES

Filed endorsement Charges are as set forth in the charts below. The Charges contained herein are keyed to the coverages specifically referred to in each endorsement. Additional Charges may be made for inspections or additional work where warranted. Whenever a particular endorsement is modified to cover some other estate or interest than that described in the existing endorsement, a special price must be obtained for such modified endorsement to conform to the type of policy issued or coverage given.

As used in this chart, N/A = Not applicable and percentages refer to a percentage of the Rate based on the amount of insurance of the title insurance policy for which the endorsement is applicable, unless otherwise indicated.

Endorsements will be issued only if underwriting requirements are satisfied.

Endorsements may be issued subsequent to policy issuance on Commercial property. Where updated search work or underwriting is required for the issuance of the post-policy endorsement, the Company may Charge 10-25% of the applicable Rate set forth in the tables above. Not available for Residential properties.

## FIDELITY NATIONAL TITLE INSURANCE COMPANY

### SECTION 3 CHARGES INVOLVING DEVELOPMENT OR CONSTRUCTION

#### 3.01 Development Loans

The company will insure the lien of a development loan for site improvements, such as streets and sewers to lots in a platted subdivision, when the aggregate sales price of such lots is in excess of \$500,000.00, at a premium of \$.90 per thousand. No reissue credit from any prior policy will be allowed toward this premium, and no reissue credit will be allowed on any future policy by virtue of having issued a development loan policy at this price.

If a development loan does not qualify under these guidelines, charge the rate for a commercial loan policy set forth in Section 2.02. Reissue credit is available when the loan qualifies under Section 5.01 and does not qualify for the rate set forth above.

#### 3.02 Construction Loans on One-To-Four-Family Residential Properties

Residential construction loans are handled as follows:

A commitment is issued to the construction lender. A \$75.00 commitment fee is charged when the construction loan mortgage is recorded. In most cases, a supplemental commitment will be issued showing the recorded documents. No additional charge is made for this supplemental report. If no construction loan policy is issued, the commitment is held open during construction. If a construction policy is required by the lender, the charge is \$75 for each six month policy. When the home is sold to the ultimate buyer and a permanent loan is made, we will issue the policies. No credit is given for the original commitment fee.

#### 3.03 Builder's/Investor's Rate

The Builder's/Investor's Rate on orders placed after September 15, 2003, is \$1.50 per thousand for the first \$250,000 of liability, and \$1 per thousand for liability above \$250,000. The Builder's/Investor's Rate will apply in the following situations:

- A. Where two or more houses are constructed, or to be constructed, on building plots within the same chain of title, and requiring only one examination of the original base title; or
- B. Where one or more building plots have been acquired and so improved within a subdivision, the title to which we have insured; or
- C. Where one or more plots have been acquired by an established residential builder/investor; and
- D. Where the builder/investor is paying for the title insurance.

## FIDELITY NATIONAL TITLE INSURANCE COMPANY

### 3.04 Subdivision Charge

A special charge known as the subdivision charge will be granted under the following circumstances:

- A. Premises owned by one owner have been platted into 10 or more lots, or where one owner owns 10 or more lots within a platted subdivision; and
- B. The owner proposes to sell vacant lots to individual purchasers and furnish an owner's title insurance policy to each purchaser, as evidence of title, in lieu of furnishing an abstract of title; and
- C. The owner of such premises has either an outstanding owner's title insurance policy thereon, issued by the Company, or has caused the Company to prepare a blanket title report covering all of said premises owned by him. (Note: A minimum charge for the preparation of such blanket title report may be necessary in individual cases.)

The Subdivision Charge shall be quoted by the revenue manager. The quote shall be in writing and given a contract rate number. All subsequent orders placed pursuant to this quotation shall have this number affixed to the "Order Sheet". Copies of all Subdivision Charge quotations are to be given to the Metro Manager, the affected Branch Manager, and Office Counsel. A copy of each contract shall be filed in the Contract Rate Book.

Before the rate is established and quoted to the customer, it must be filed with the Kansas Insurance Department under the "U & U Rule".

### 3.05 Developer and Builder Rate

Where the Developer is also the builder on one or more building plots within a subdivision and we have already insured the Developer's underlying subdivision base Title.

The Developer and Builder rate is \$2.00 per thousand for the first \$200,000 of Liability, and \$.50 per thousand for liability above \$200,000.

### 3.06 ( SECTION HELD OPEN FOR FUTURE USE )

### 3.07 ( SECTION HELD OPEN FOR FUTURE USE )

### 3.08 Rundown and Endorsement on Construction Loan Policies.

Where the Company is disbursing construction funds pursuant to a construction loan escrow and disbursing agreement, there is no additional charge for periodic title rundown and endorsements to cover each disbursement. Where the Company is not disbursing the funds, however, the charge for each rundown and endorsement shall be \$100.

## FIDELITY NATIONAL TITLE INSURANCE COMPANY

### 3.09 Permanent Loans on New Commercial Projects

Where the Company has previously insured the lien of a construction loan on a commercial project, and collected the appropriate premium therefor, we will insure the lien of a permanent mortgage, which replaces the construction mortgage, for a processing or work charge only. If the amount of the permanent mortgage exceeds the amount of the construction mortgage, it will be necessary to bill additional premium for the excess amount. The processing charge is \$250.00. Of course, any extended or special coverages given in the permanent loan policy should be billed at the appropriate rate in addition to the work charge.

If an unusual amount of work is involved, we must file our rate under the "U and U Rule".

### 3.10 ( SECTION HELD OPEN FOR FUTURE USE )

## **SECTION 4 CHARGES FOR ADDITIONAL OR SPECIAL SERVICES AND COVERAGES**

### 4.01 Additional Charges

All of the above charges are for ordinary or normal cases.

When the premises to be insured consist of multiple tracts coming from separate chains of title, an additional charge of \$100.00 for each additional tract shall be made.

In cases involving a long and intricate title, an appropriate additional charge, fixed by the examiner, will be made.

In order to comply with Kansas law, a special rate filing will need to be made under the "Unique and Unusual Rule". Consult the Area Manager in these cases.

### 4.02 Commitment Charges

Information Report charges or commitment charges are made to compensate the Company for the work done in preparing a commitment when no policy is issued.

An "Information Report charge" is made when a title report is issued with no likelihood of a policy being issued in the next 6 months.

## FIDELITY NATIONAL TITLE INSURANCE COMPANY

A "Commitment charge" is made when there is a strong possibility a policy will be written, but we are aware of contingencies that will result in cancellation of the order.

- A. The fee for an Informational Report on 1-to-4-family residential properties is \$250.00. Charge \$125.00 for each update report issued.
- B. The fee for an Informational Report on commercial properties is \$350.00.
- C. If more than three hours of search and examination time is required, add \$100.00 to the charge for the Informational Report or Commitment.
- D. A commitment fee of \$150.00 is made on 1-to-4-family residential properties. If copies of deeds and/or exceptions are required, the fee is \$200.00.
- E. A commitment fee of \$300.00 is made on commercial properties.
- F. A foreclosure commitment fee of \$300.00 will be charged on 1-to-4- family residential properties; \$350 on other properties.

The Commitment Charges at "C", "D" and "E" above shall also apply as cancellation fees in cases where an order for a policy is cancelled. To collect these fees, the customer must be advised, before the commitment is issued, that there will be a cancellation or commitment fee.

Amounts paid for Informational Reports or Commitments, except construction binders issued by Fidelity National Title (Section 3.02 of this manual), shall be credited toward the premium due for any policy issued pursuant to those reports. If the report or commitment was issued by another company, the credit shall not exceed \$175.00.

### 4.03 Special Coverages

#### Extraordinary Risks

Our published schedule of rates creates sufficient reserves to cover losses arising from our assumption of "normal" risks. While we sometimes accept greater-than-normal risks, our loss experience is naturally less favorable in such cases. It is therefore the Company's policy that, where appropriate underwriting authority has determined that an extraordinary risk is nevertheless acceptable, the Company should be compensated accordingly. It is not possible to enumerate these risks, but they might be such things as insuring against forced removal by reason of an encroachment, or deleting some cloud on the title, such as by adverse possession affidavit, without requiring suit to quiet title. The possibilities are as diverse as the imaginations of counsel are fertile. Likewise, it

## FIDELITY NATIONAL TITLE INSURANCE COMPANY

is not possible to formulate any schedule of charges for such risks. Unless there is a sufficient experience or custom factor to serve as a guide, an officer should be consulted.

If unusual or unique circumstances require additional charges, a special rate filing under the "U and U Rule" is required.

### 4.04 (SECTION HELD OPEN FOR FUTURE USE)

### 4.07 Charge for Mortgage failing to meet register of deeds format requirements

A service charge of \$100 will be made when a mortgage submitted for recording and issuance of title insurance fails to meet the register of deeds' formatting requirements concerning width of margins.

## SECTION 5 OTHER SPECIAL RATES

### 5.01 Reissue Rate

The reissue rate applies only to policies on property other than one-to-four family. The reissue rate is the Commercial Rate, less the reissue credit.

Reissue rates apply when a prior title insurance policy on the premises in question has been issued by an underwriter licensed in Kansas to the current owner and is available to us.

#### Reissue Credit.

- A. The reissue credit shall be 40 percent of the regular rate on the amount of the prior owner's policy, or the most recent loan policy, if more recent and for a greater amount.

Liability in excess of the amount of the prior policy will be billed at the regular rate.

- B. If the examination of title reveals any of the following since the prior policy: a bankruptcy, foreclosure, multiple lawsuits or judgments, a gap in title, a passage of title into divided interests of less than 1/16, more than 25 additional easements, then no reissue credit is available.

### 5.02 Abstract Conversion Rate

Where the prior title evidence on property upon which we are asked to issue a title insurance policy is an abstract, we will give an abstract conversion rate, which is \$100.00 off the amount set forth in Secs. 2.01 or 2.02 above, subject to the following:

- A. The abstract must be surrendered to us prior to commencement of our

## FIDELITY NATIONAL TITLE INSURANCE COMPANY

examination and becomes our property. In appropriate cases, such as where the abstract is in the possession of a lender and cannot be obtained until the loan is paid, the requirement that it be surrendered prior to examination may be waived.

- B. The abstract must be the title evidence relied upon at the time the current seller acquired the property, and must be continued to a date more or less contemporaneous to his acquisition, although it need not actually cover his deed.
- C. In no event will an abstract conversion rate be given which is less than the minimum card rate.

### 5.03 Commercial Substitution Rate

In cases involving commercial or industrial property where we have an existing loan policy not over three years old, and the same borrower asks us to issue a new loan policy on a substitute loan, we will charge 60% of the standard rate up to the principal amount of the original loan, plus standard rates for any increase in the loan amount over said amount.

### 5.04 Future Advances

Where the Company endorses an existing loan policy to cover a future advance, make a rundown charge of \$50.00, plus 60% of the regular rate on the amount of the advance, to the extent that the total indebtedness after the advance does not exceed the original face amount of the policy. If the total indebtedness after the advance does exceed the original face amount of the policy, charge 100% of the regular rate on the portion of the advance that causes the original face amount of the policy to be exceeded.

### 5.05 Swing Loans

A residential purchaser frequently contemplates using the proceeds of the sale of his prior residence to apply to the purchase of a new one. Where the prior residence has not yet been sold, or the sale thereof has not yet closed, it is sometimes necessary for him to obtain a "swing loan" on the prior residence to generate the funds necessary to close on the new one. The full rate, as determined under Sec. 2.01 hereof, should be charged for any policy insuring a swing loan mortgage on the prior residence. Thereafter, when the prior residence is sold, and we issue a policy to the purchaser, the seller is entitled to a credit against the premium therefor equivalent to the premium paid for the swing loan policy, less \$75.00

### 5.06 Hold Open

Title to land is often acquired by an individual as nominee for a group of investors, or in some similar capacity. It is intended that a corporation or partnership will be formed by the group to which title is to be conveyed. It is requested that we withhold issuance of our owner's policy to reflect such transfer.

This is a reasonable request, and where the premium has already been paid and we do not have to hold the file open for more than twelve months, we will do so and charge only a processing charge which is \$75.00

### 5.07 Trade-Ins

In the case of residential properties accepted as trade-ins by brokers, where the premium for an owner's policy is paid by the broker's client in the amount established between the parties as the trade-in allowance, the file will be held open and a policy issued to the ultimate purchaser from the broker within six months from the date of the commitment, at a charge of \$75.00, plus the regular rate on any portion of the sale price representing an excess over the value established at the time of trade.

### 5.08 Contracts for Deed

Where an insured (as defined in paragraph 1(a) of the Conditions and Stipulations) in a contract for deed policy has or is about to acquire fee title by reason of full performance of the contract for deed, we will issue a dated-down policy showing title vested in our insured, which policy should be in the amount of the current fair market value of the property, for a processing charge of \$75.00, plus the regular rate on the excess of current fair market value over the original policy amount. The contract for deed policy must be surrendered for cancellation.

## FIDELITY NATIONAL TITLE INSURANCE COMPANY

### 5.09 Nonstandard Endorsement Charge

A nonstandard endorsement charge is imposed when a proposed insured requests and the Company agrees to a modification of the language of a standard endorsement. The charge is \$100 per endorsement.
