Use this worksheet to gather information you'll need before you begin to shop. Remember, the cheapest deal isn't always the best deal. Good insurance value means finding the right price, best coverage and quality service. Answer the questions truthfully and correctly. Ask what discounts will save you money. Make sure the premium charge quotes you get are for the same term and coverage. For example, not all companies will offer the same options for deductibles.

Motor vehicle information
Year ________ Make/model ______________________ Motor vehicle ID no. (VIN) ____________
Motor vehicle location (city, county, state and ZIP code) ________________________________
