

PERSONAL HOME INVENTORY

VICKI SCHMIDT, COMMISSIONER
insurance.kansas.gov

WHY DO AN INVENTORY?

The easiest way to determine your insurance needs is to take a complete inventory of your home’s contents or personal property and estimate their value. This will help you decide if you need to increase your coverage of your personal property. It will also assist with the claims process.

Homeowners/Renters policy information

Name of insured _____ Agent name _____
 Insurance company _____ Agent phone _____
 Insurance company phone _____ Policy number _____

Use your mobile device to create an inventory

There are a number of free apps available through your preferred smartphone’s app store that allow you to safely store a digital copy of your home inventory and easily update it as needed.

NAIC HOME INVENTORY APP
 Visit content.naic.org/consumer/home-inventory or scan to download the Home Inventory app.

WHAT TO DO	WHAT TO KEEP	WHERE TO STORE YOUR INVENTORY
Take photos/videos and include date/time stamp	Receipts, purchase orders or invoices	A safe deposit box
List every item of value in your home	Canceled checks	A fire resistant box or safe in your home
Include the serial numbers of all items that have them	Registration, warranty and guarantee documents	At your place of employment in a locked cabinet
Include makes and models in your description	Instruction manuals	With a family member or close friend
Keep all receipts, along with a description of the items	Tax records	With your accountant or attorney
Keep a record of jewelry, appliances and collector’s items	Credit card or bank statements (online or in hard copy)	
Update home inventory after big purchases	Serial numbers on your electronics
