Honorable Vicki Schmidt Commissioner of Insurance Kansas Insurance Department 1300 SW Arrowhead Rd Topeka, Kansas 66604-4019

Dear Commissioner:

In accordance with your authorization and pursuant to K.S.A. 40-222, an examination has been conducted of the financial condition and business affairs of:

FARMERS MUTUAL INSURANCE COMPANY

with its main administrative and statutory home office at:

16 NORTH MAIN ELLINWOOD, KANSAS 67526

hereinafter referred to as the "Company" or "FMIC". The following report on such examination is respectfully submitted.

SCOPE OF EXAMINATION

The examiners have performed a single state financial examination of the Company, a Kansas-domiciled property and casualty insurance company. The last examination covered the four-year period from January 1, 2015, through December 31, 2018. This examination covers the four-year period from January 1, 2019, through December 31, 2022.

The examination was conducted in accordance with the rules, regulations, and directives of the Kansas Insurance Department ("Department") and the observed guidelines and procedures contained in the National Association of Insurance Commissioners ("NAIC") *Financial Condition Examiners Handbook* ("Handbook"). The

1

Handbook requires that the examiners plan and perform the examination to evaluate the financial condition, assess corporate governance, identify current and prospective risks of the Company, and evaluate system controls and procedures used to mitigate those risks. An examination also includes identifying and evaluating significant risks that could cause an insurer's surplus to be materially misstated both currently and prospectively.

All accounts and activities of the Company were considered in accordance with the risk-focused examination process. This may include assessing significant estimates made by management and evaluating management's compliance with Statutory Accounting Principles.

Those activities considered in the examination as key or critical to FMIC included Capital Management, Investments, Reinsurance, Related Party, Reserving, and Underwriting and Pricing. The examination also included a review and evaluation of information technology general controls.

The examination does not attest to the fair presentation of the financial statements included herein. If, during the course of the examination an adjustment is identified, the impact of such adjustment is documented separately following the Company's financial statements.

This examination report includes significant findings of fact, as mentioned in K.S.A. 40-222, and general information about the insurer and its financial condition. There may be other items identified during the examination that, due to their nature (e.g., subjective conclusions, proprietary information, etc.), are not included within the examination report but separately communicated to other regulators and/or the Company.

Independent Audit Reports

Financial statements of the Company were previously audited by SSC CPAs + Advisors for the years ending December 31, 2017, through December 31, 2021. Financial statements of the Company were audited by Adam Brown Strategic Allies and CPA's of Overland Park, Kansas for the year ending December 31, 2022. In each of the years under examination, the auditors concluded that the financial statements of the Company present fairly, in all material respects, the admitted assets, liabilities and policyholders' surplus of the Company as of December 31, 2022, and the results of its operations and its cash flows for the years then ended in accordance with the statutory accounting practices prescribed or permitted by the Department.

The independent auditor's workpapers were reviewed and analyzed by the examiners. Significant reliance was placed on select workpapers during this examination.

Actuarial Review

The Company retained Dustin Gary, FCAS, MAAA, of Centric Actuarial Solutions of Overland Park, Kansas to perform a review of the Company's actuarial practices and reserves as of December 31, 2022. The review consisted of evaluating assumptions, methodologies, and calculations utilized by the Company in its reserve setting process.

SUMMARY OF SIGNIFICANT FINDINGS

No significant findings were noted during the examination.

Ceded Reinsurance

The Company enters into excess of loss reinsurance contracts to protect against catastrophic or other unforeseen loss activity. The reinsurance partners consist of authorized and unauthorized insurers. The majority of the exposure to catastrophic risk pertains to the property business. The Company maintains a multiple year multi-line excess of loss agreement that covers both property and casualty lines. The Company's retention under this agreement is \$50,000 for property lines and \$25,000 for casualty lines. This agreement covers up to \$550,000 for property lines and \$675,000 for casualty lines. There is a multiple year property catastrophe excess of loss agreement which covers \$4,750,000 excess \$260,000. Additionally, the Company maintains facultative coverage for all risks with property coverages over \$600,000.

All reinsurance agreements in effect during the examination contained insolvency and cancellation clauses as required by K.S.A. 40-221a. All reinsurance agreements reviewed provided for the transfer of risk. However, the Company is contingently liable for all reinsurance losses ceded to others. This contingent liability would become an actual liability in the event an assuming reinsurer fails to perform its obligations under the reinsurance contract.

The following financial statements are based on the statutory financial statements filed by the Company with the Department and present the financial condition of the Company for the period ending December 31, 2022.
