The Honorable Sandy Praeger

Kansas Insurance Department  
420 SW Ninth Street  
Topeka, KS 66612

Dear Commissioner Praeger:

In accordance with your respective authorization, and pursuant to K.S.A. 40-222, a market conduct examination has been conducted on the business affairs of:

AXA Equitable Life Insurance Company  
NAIC #62944  
1290 Avenue of the Americas  
New York, NY 10104

hereafter referred to as “AXA” or the “Company”, the following report of such examination is respectfully submitted,

Tate Flott, AIE, AIRC  
Market Conduct Examiner  
Examiner-in-Charge

## **PURPOSE AND SCOPE OF REVIEW**

A targeted market conduct examination of AXA Equitable Life Insurance Company, also referred to as the “Company”, was conducted pursuant to, but not limited to K.S.A. 40-222.

The Kansas Insurance Department (KID) simultaneously conducted targeted desk examinations on several companies to determine compliance of the requirements set forth in K.S.A. 40-2404 (10) regarding the recording and proper handling of complaints. The review was performed at KID on electronic files provided by the Company and was conducted according to the guidelines and procedures recommended in the 2012 NAIC Market Regulation Handbook (MRH). The exam team utilized the standards and tests recommended in the Handbook which allows an error tolerance 10%. Silence on any NAIC standard or Company practice does not imply KID acceptance or endorsement of such practices. Applicable statutes and regulations cited throughout the report may be found in the Appendix.

The examination included a review of the complaint register and the complaint files the company had received for the exam period of January 1, 2010 through December 31, 2012. This included both the complaints from KID as well as direct consumer complaints that were received during the time period. Interrogatories were submitted to the Company prior to the file review segment of the examination, and written responses were provided.

## **EXECUTIVE SUMMARY**

There were three instances during the market conduct examination when the Company failed to respond timely to KID inquiries. The Company asked for a five business day extension for one inquiry, which was granted. KID had to follow-up with the Company after the deadline passed with no response. In another instance the Company responded timely. However, the response was incomplete and KID followed-up to obtain additional information. In the third instance, the Company failed to respond within the five business days required. This is a violation of K.S.A. 40, 2-125(b).

KID found five instances where the Company erroneously provided account information to unauthorized individuals. Based upon the sample size, this represents 21% of the files.

### **Recommendations**

1. When receiving communications from the Kansas Insurance Department (KID), timely and complete responses from the Company are expected. If additional time is needed, the Company shall contact KID (prior to the deadline) to request an extension.

2. Within 30 days of the final order adopting this exam, the Company is required to submit a corrective action plan detailing the steps taken to address the instances of unauthorized parties being provided with account information.
