

**THE KANSAS WORKERS'  
COMPENSATION FUND  
SECOND-INJURY FUND**

**ADMINISTERED BY:**

**SANDY PRAEGER  
COMMISSIONER OF INSURANCE**

**2004 FISCAL YEAR REPORT**

**JULY 1, 2003 - JUNE 30, 2004**

## **2004 FISCAL YEAR ANNUAL REPORT**

### **1. INTRODUCTION**

Pursuant to K.S.A. 44-566a, the Commissioner of Insurance shall annually report to the Governor and the Legislature the receipts and expenditures from the Workers' Compensation Second-Injury Fund during the preceding fiscal year. The data, which is attached at the beginning of this report, provides a disclosure of receipts and expenditures for Fiscal Year 2004. This report corresponds with the data provided by the Division of Accounts and Reports of the State of Kansas. This information provides a comparison between Fiscal Year 2003 and Fiscal Year 2004. The tables are provided to enhance understanding of the financial affairs and operations of the Workers' Compensation Second-Injury Fund.

### **2. RECEIPTS FOR FISCAL YEAR 2004**

Receipts during Fiscal Year 2004 to the Workers' Compensation Fund totaled \$3,972,595.62. Kansas Law (KSA 44-566(a) (b)) provided for individual annual assessments that totaled \$3,790,122.12. There were miscellaneous reimbursements totaling \$113,760.70 and fines and penalties totaling \$68,712.80. The available funding for Fiscal Year 2004 was \$9,664,695.59. The previous year carryover balance was \$5,692,099.97.

### **3. EXPENDITURES FOR FISCAL YEAR 2004**

Fiscal Year 2004 expenditures totaled \$3,654,257.91. In addition, the Kansas Legislature transferred \$75,515.00 out of the Workers' Compensation Fund to the State General Fund pursuant to Senate Bill 6 Sec. 31(c), (d), (f), &(g) and made other miscellaneous legislative sweeps of \$1,379.00 from the Fund. The majority of the Fund's expenses represent disability compensation, medical, and attorney fees, which totaled 91.71% of the total expenditures (see Figure II). The remaining expenses are composed of vocational rehabilitation of \$2,443.10; administrative costs specific to legislation at \$43,302.41; and other operating expenses of \$257,570.32.

In Fiscal Year 2004, disability compensation represented 40.48% of all expenditures as compared to 38.46% in Fiscal Year 2003 (see Figure II).

**4. TRANSFER OF \$11.0 MILLION TO THE STATE GENERAL FUND**

2002 Senate Bill 363, Section 32(b) required the Director of Accounts and Reports to transfer \$7.0 million out of the Insurance Department's Workers' Compensation Fund to the State General Fund. This transfer occurred on June 30, 2002. Additionally, 2003 House Bill 2026, Section 10(a)(1) required the Director of Accounts and Reports to transfer \$4.0 million out of the Insurance Department's Workers' Compensation Fund to the State General Fund. This transfer occurred on June 30, 2003. The transfers effectively reduced balances in the Workers' Compensation Fund by \$7.0 million and \$4.0 million respectively and correspondingly reduced the carryover balance into Fiscal Year 2003 and Fiscal Year 2004.

2003 House Bill 2026, Section 10(a)(2)(3)(4)(5) require the Director of Accounts and Reports to transfer \$1.0 million per year out of the State General Fund to the Insurance Department's Workers' Compensation Fund beginning on or before June 30, 2007 and ending on or before June 30, 2010 for a total of \$4.0 million.

**5. CONCLUSION**

As of July 1, 2004, the Workers' Compensation Fund had a total of 3,738 active cases. This represents a decrease of approximately .98% from Fiscal Year 2003. Of these active cases, 3,715 were involved in litigation and 23 cases required monthly payments to be made. The Fund will continue to require revenue for claims that occurred prior to July 1, 1994. The Fund will also require revenue for insolvent/uninsured employers and certification cases. The additional revenue will come in the form of future assessments on insurance companies and self-insurers, and miscellaneous reimbursements.
